What are the most popular CD and DVD labels and coverage sizes? The size of the most commonly used labels[1]: the standard size of a CD Ã¨ -116 mm (4.57 in) outside and 45 mm (1.77 in) inside diameter; Expanded dimension -116 mm (4.57 in) outside and 38 mm (1.46 in) inside diameter; Full size -116 mm (4.57 in) outside and 21 mm (0.83 in) inside diameter. Go to the article. The dimensions of the front and rear CD inserts are 120 mm x 120 mm (4.7 in x 4.7) and 151 mm x 118 mm (5.9 in x 4.6 in) respectively. Go to the article. The standard size for a DVD Ã¨ 184 mm x 130 mm (7.2 in x 5.1 in) and 14 mm (0.6 in) thick cover. Go to the article. How to print CD labels for a disk? With CD DVD Label Maker Ã¨ you can print CD labels for envelopes in your home or office using one of these options: Print CD labels directly on the disk surface (Ã¨ an appropriate printer function is required); Print labels on self-adhesive paper for a particular disk brand; Print the label on standard office paper, then cut it along the lines and attach it to the disk. You learn more[1] about the printing methods on the disks from the article. Free Download Version: ("I'm very impressed with your software and Ã¨ wonderful to make labels with it. Please continue the great work!" Joey Harri Washington, USA "He used to create models in Editor a few years ago. Now I'm cutting corners with a smart m a program like yours!!!" Dennis Austerlitz Berlin, Germany "5 Star" by "5 Star" on x64BitDownload x64BitDownload x64BitDownload Use the Photoshop Gamut warning and proofing features to anticipate colour changes. Note for Photoshop users: When you import a PDF select Crop to: Bleed Box. Make sure your resolution is set to 300 pixels per inch. Place your artwork in a separate layer. Our J-Cards are printed full-bleed, then cut, scored and folded. Jump to a template: Design contests are the best way to tap into DesignCrowd's massive pool of talented designers and find a design that you'll love. Whether that be a new logo for your startup or simply a flyer, you're sure to get the perfect design - just start a design contest today. Crowdsourced logo, freelance graphic and web design at DesignCrowd. 1,019,425 freelance designers compete to create amazing designs for your business. Start Today! They can be daunting to do yourself, so we've provided you free downloadable templates to help you complete your order. We include options for traditional, jewel, and slim cases. Easily add your own personal touch to your DVD packaging with our blank cover guides that are compatible with a large variety of software, including Photoshop. Other popular sizes are 8.5" x 14", 11" x 17" and 11" x 25.5". When using a tri fold brochure template, keep in mind that each individual panel is slightly different in width, with the "cover" panel being the largest (widest), to accommodate the other two panels that will fold inside. This CD case mockup freebie can be a time-saver for your brand presentations. It is a photorealistic PSD mockup template with a clean design. Check it out! PSD CD Cover Disk Mockup. This is a gorgeous free CD cover mockup created in Adobe Photoshop. It is easy to edit and to add your graphics. Download thousands of Adobe Photoshop graphic templates. From print templates, product mockups to website PSD files, and high-quality logos. Use the Photoshop Gamut warning and proofing features to anticipate colour changes. Note for Photoshop users: When you import a PDF select Crop to: Bleed Box. Make sure your resolution is set to 300 pixels per inch. Place your artwork in a separate layer. Our J-Cards are printed full-bleed, then cut, scored and folded. Jump to a template: You won't have to worry about the size, since all templates have a CD cover format by default. However, you can apply other measurements or even readapt the design you created to other measurements. Overall, there are more than 20,000 templates organized in different categories, from podcast covers to concert posters to social media posts, so ... Download Disc Makers free Digipak CD templates and DVD templates to complete your CD or DVD project design. Packages other than jewel cases (jackets, wallets, digipaks, DVD cases, etc.) will be a single document. Jewel case templates come in two parts: one for the booklet or insert, and one for the tray card. The best Folder Mockup to Create a professional photo-realistic presentation of logo design. High resolution and easy-to-use. Via smart objects, you can easily customize and change any mockup element, like colors in order to make it fit your design presentation needs. Sep 24, 2015 · Using this template from Avery, you can just click in the box and edit the text yourself. Avery, of course, is not the only site that has CD and DVD label templates.
