We do it ourselves to help you do it yourself, and whatever your mechanical ability, the practical step by step explanations, linked to over 900 photos, will help you get the job done right. Regular servicing and maintenance of your Honda Motorcycle CMX250 Rebel can help maintain its resale value, save you money, and make it safer to ride. Please try again. Please try your request again later. I have used the online manual three times and I am very pleased with it. Being able to do a search really speeds things up and the pictures are fantastic, great step by step directions and I love having the torque specs. The information is presented in a clear and concise manner. In order to navigate out of this carousel, please use your heading shortcut key to navigate to the next or previous heading.

In order to navigate out of this carousel, please use your heading shortcut key to navigate to the next or previous heading. To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. It also analyzes reviews to verify trustworthiness. Sorry, we failed to record your vote. Please try again And Im an IDIOT! I love the bike; its great fun, and it gets around 70 MPG, which is a lifesaver for me. But it wouldnt crank after being idle all winter. It tried to turn over, but wouldnt start. I knew it was probably the carburetor, but I have the mechanic skills of a freshly stunned mollusk, so I was reluctant to try to fix it myself. When the mechanic told me it might cost between 300 and 500 bucks for a carburetor rebuild, I bought this book and tried it myself. This is a great book. If I can do it, anyone can! Sorry, we failed to record your vote. Please try again Search function works perfectly. Sorry, we failed to record your vote. Please try again It has many good quality color photographs that show exactly what things should look like. Its also fairly good at

differentiating between 1st and 2nd generation Rebels. Sorry, we failed to record your vote. Please try again Thanks to this manual, I was able to fix the damage I had done. Now I own the manual to fix the simple stuff, plus a lot more. Lots of pictures, which is what I need. I have it on my little Kindle, but I love having the color pics on my big computer screen, too. Thanks, Amazon! Sorry, we failed to record your vote. Please try again Electronic format made it extremely. Electronic format made it extremely efficient in the garage, no more grease stains on the pages! Sorry, we failed to record your vote. Please try again It has saved me from taking it into the shop. Great bike manual! Sorry, we failed to record your vote.
