Bidders must register online providing the necessary registration information such as name, address, phone numbers, drivers license, email address, credit card information and any other information requested for identification. By registering you are agreeing that you have read and fully understand the complete Terms and Conditions of Auction, and any additional terms and conditions announced or on the website, and agree to be bound thereby. All registered Bidders take full responsibility for their bidders number. Bidder numbers are nontransferable. All bids made by the holder of the number will be the responsibility of the registered Bidder. All sales are final. No refunds, reductions, returns, exchanges or charge backs. By bidding you are acknowledging agreement with all of the terms and conditions included herein and else where on our website. The highest Bidder shall be the Buyer and no Bidder shall retract their bid. A Buyer is deemed to have accepted an item or lot when they make their bid. A successful bid at auction constitutes a legally binding contract of sale. All sales are final. The Auctioneers reserve the right to reject any and all bids on items and lots not being sold at absolute auction. The acceptable bidding increments are established and controlled by the Auctioneer. This practice is used by some bidders to discourage others from bidding in hopes of acquiring an item at a lower price. There are many theories on the effectiveness of this practice and a bidder who wishes to apply it does so at their own discretion. A 10% Buyers Premium will be added to all purchases. A Buyers Premium is a predetermined percentage or flat fee added to the high bid price to achieve the contract sales price. The use of a Buyers Premium will not in any manner whatsoever constitute an agency relationship between the Auctioneers their licensees, employees or agents, and the Buyer. The Auctioneers, licensees, employees and agents are agents for the Seller Only.

<http://oxadreamland.com/images/Crsi-Manual-Of-Standard-Practice-28Th-Edition.pdf>

You may also call our office to find out the exact amount of the Buyers Premium for any auction. Any applicable taxes are calculated on both the Buyers Premium and the bid amount. 7 POSTED CLOSING TIMES Posted closing times and displays of the Auction Companies current time are approximate. Auction Company reserves the right to close early or extend an auction at any time at its sole discretion. It is strongly recommended that bids be placed early to avoid losing out due to an illtimed, last minute bid or technical difficulty. All times are based on the Eastern Standard Time Zone unless stated otherwise. 8 PAYMENT Payment will be by CREDIT CARD ONLY. The credit card used for your registration must be your credit card and will be charged for your purchases after the close of the auction and prior to the removal date. If you would like to update or change your card on file, please call us at 7248471887. The Auction Company RESERVES THE RIGHT to charge your credit card if no payment is made by the stated removal date. Payment by other than credit card cash or check must be coordinated with and approved by the Auction Company prior to bidding in the online auction. In the event of any lawsuit or legal action taken in connection with or arising out of the terms herein, the Auctioneers shall be entitled to recover all costs, expenses and attorney fees incurred. 10 LATE PAYMENT Any payment accepted late shall incur a twentyfive percent 25% surcharge on the full amount of the invoice. 11 PURCHASE PRICE CALCULATION Note that the purchase price is the sum of the bid price, the Buyers Premium, any Buyers Fee, expenses, and sales tax if applicable, etc. All payments must be in US Funds. Auction Company reserves the right to charge the total amount or any remaining balance of your purchase price on your credit card if the balance is not otherwise paid. We do not accept partial payments. Invoices must be paid in full prior to pick up. 12 AUTO EXTEND FEATURE Please note when bidding, there is an autoextend feature on this online auction system. The autoextend feature time frame is set by the auction company. For this example the autoextend feature is set at 2 minutes If someone bids in the last 2 minutes immediately prior to the end of the auction on that item, the online auction system will automatically extend the bidding time for a 2 minute increment and will continue to do so until there is a 2 minute period after the original closing time where no one bids, then the auction on that item will close. This feature will leave the bidding open for any item that has received a bid within the last 2 minutes prior to close and from the last recorded bid time, even if the ending time has been reached. This feature has been added to eliminate sniping and to make the online bidding process more fair and to resemble a live auction. Keep in mind that seconds are not recorded with bid entries. A bid recorded at 530 and 40 seconds will have a recorded bid time of 530. Removal is at the Buyers sole obligation, cost and risk, and only in a manner approved by the Auctioneers.

All costs, responsibility and risk of such removal shall be borne by Buyer and, in every case; Buyer will use prudence and care in such removal. In the event the Buyer fails to pay the whole of the purchase price, fails to remove all purchased items and lots, or comply with any other condition herein contained or agreed to, the deposit shall be forfeited to the Auctioneer and the Auctioneer shall retain a possessory lien on all items or lots of the Buyer. The auction deposit and any payment made by the Buyer shall be retained by the Auctioneers for application against such deficiency. The Auctioneers reserve the right to require proof of adequate insurance coverage from any Buyer of items or lots requiring dismantling, rigging, hot cutting, refrigerant certification, or any situation deemed necessary by the Auctioneers. If for any reason, the Buyers fail to remove any item or lot within the specified time, the item or lot will be deemed abandoned and the Auctioneer shall have the right but not the obligation, at their sole discretion to resell, discard or remove and store the items or lots at the Buyers. The Buyers understand that they will lose any right, title or interest the Buyers may have acquired and the item or lot shall revert and repossess to the Seller or Auctioneer without any further notice to the Buyers. In addition, Buyers will be liable for any rent incurred, labor, storage, hauling, dump fees, etc, and damage suffered by the Auctioneers because of the Buyers failure to remove any item or lot. It is the Buyers responsibility to secure all safety equipment to meet all applicable government safety standards in using or removing any items or lots purchased. Any fluids, spills, release into the environment, or any contamination whatsoever caused by the Buyer, their agents, employees, contractors, etc., during the auction or removal, are strictly and solely the Buyers expense and liability to correct, remove and clean up.

The Buyer takes full responsibility for compliance with applicable environmental laws and exercise

all reasonable care to ensure that there is no release to the environment of any hazardous materials, wastes or substances as defined in applicable Federal, State and Local Statutes, Laws, Regulations, Rules or Ordinances. No purchases may be removed from the auction site until said purchases are paid for in full. Buyers will work in unison with other Buyers to ensure an orderly, safe removal process. 14 REMOVAL EXTENSION On a case by case basis and at the Sellers or Auctioneers discretion, the Seller or Auctioneer may grant a Buyer a removal extension with a nonrefundable per day extension fee as set by the Seller or Auctioneer. Full payment of the extension fee must be made at least twentyfour 24 hours prior to the start of the extension. 15 NONDELIVERY BILL OF SALE. The Buyers shall have no further claim or recourse against Sellers, Auctioneers, licensees, employees and agents. Delivery in this section refers to the transfer of ownership and not the physical delivery of an item or lot to the Buyer or their address. The lack of delivery on any part of the Buyers purchase does not nullify the remainder of the purchase. In no event will the Auctioneers or Sellers liability to the Bidder exceed the amount actually paid by the Buyer. The Buyer hereby acknowledges and agrees that the Auctioneer and Seller shall not be liable for special, consequential or incidental damages.

The Buyers shall have no further claim or recourse against Sellers, Auctioneers, licensees, employees and agents including charge backs, stop payment, cancellation, etc. Auctioneers also reserve the right to group and regroup items and lots, or separate items and lots, or parts of a lot as deemed necessary by the Auctioneers. These items and lots may be interspersed and not specifically identified throughout the auction. 18 SALES TAX if applicable All applicable sales tax, according to the governing tax laws in the state where the auction is being held, will be added to the purchase price on all taxable items or lots unless the Buyer files a properly completed tax exempt form with our auction office prior to the auction.
