Featured SlideShow Presentation Alot Senshow Infographic Slideshow Continue Leader à € € | Crystal race theory (CRT) is a question of hot button in the United States. School plates and state legislatures in seven states have passed regulations that forbade it to be taught in the classroom. How do we get here and why are everyone going crazy? By Carrie Whitney, Ph.Dfellow Graduates, while you advance and we take advantage of the day, we stopped to consider a little less clichÃ's and much more memorable à € à € à €
