The term "apply" can be used in various ways, including applying pressure to open a door, bringing someone into physical contact, or putting something on a surface. The synonyms of apply include dedicate, assign, allot, appropriate, devote, and employ.In a literal sense, applying something means putting it into use or causing it to come into effect. For example, "She applied the brakes and skidded to a stop" or "He applied paint to the wall." In a more figurative sense, applying can mean bringing someone into action or assigning them to a task.The concept of applying also extends to various fields, such as law, where laws apply to certain groups of people. Similarly, in business, principles apply equally in all cases.In daily life, we often need to apply pressure, use something, or make something work in a particular situation. In addition, we should apply ourselves diligently and close attention to our tasks, or apply political pressure to achieve desired outcomes.Moreover, applying is also related to the concept of relevance, as special conditions apply if you are under 18. Finally, the term "apply" can be used in various contexts, such as in business, law, or education, where principles and rules apply equally.Compare career options based on your interests, skills, and other factors.
