Build your own unique farm. Inherit your family's old farm. Restore your farm in the best possible way. Start your guided game. Complete many different missions. Become the best farmer. Enjoy farming like never before. Gameplay: This game was developed by Gameloft SE. Gameloft SE has created so many unique and high-quality games, such as the Asphalt series, the Modern Combat series, and many more games that players have fallen in love with. Green Farm 3 is one of the best games made by Gameloft SE. Let's talk about the game from the beginning. At the very beginning of the game you will receive a letter from someone. The letter will say that you have inherited your family's old farm. Now you have to help her recover. Cindy Lou will meet you, walk you through the game and tell you what to do. Start the game by taking care of the farm. You will have to harvest the wheat on the farm. Just tap to harvest your farm crops. Now that the site is free. You will have to sow seeds. Just like in real life, you will have to sow seeds. Just like tap to harvest, you will have to tap to plant seeds. After planting, the seeds will germinate after some timeFarm, then repeat the process to get stars. Get as many stars as possible because they are very important. New tasks are displayed. Tasks are missions that you can complete and get rewards for doing so. No farm is a real farm without animals. There are also animals in this game. Your uncle Hal had the largest herd in the state. You must be equal to him. It will take a while to get there, but don't worry, you'll make it. Complete different tasks in this game like yellow cow calf, feed your cow with a grinder and collect your first milk. In this game you have different animals. For example, super animals, chickens, cows and pigs, etc. These animals have different types. For example, if we talk about cows, you will find Yellow Cattle, Holstein, Devon and Ayrshire Calf etc. They also require different levels and coins. If you want to unlock Holstein Calf you will need level 4. At level 11 the Devon Calf will be unlocked. You need level 15 to unlock the Ayrshire Calf. You'll reach level 10 so quickly, but reaching level 50 will take some effort. There is no level 100. When you first buy pets, they are babies. Children in this game cannot produce resources and you have to wait for them to grow up. When your animals are hungry, use a feed grinder that can feed your animals. Neighbor Harold puts a feed mill at your disposal, and for that you should be thankful. Animals give resources after a while if you feed them. Rebuild your headquarters as well. Restore the previous state. There is also a barn. This is also in need of renovation. Discover the secrets, tips and tricks of this game. Earn XP as a reward for playing. Green Farm 3 takes players into a story full of surprises and curiosities. Suddenly you get a text message that you have inherited a farm that is about to go bankrupt. Now all you have to do is rebuild it by planting trees, raising cows, building a farmhouse, etc. All the good neighbors are always ready to help if you need them. Let's build our own farm! Green farmfor Android is highly appreciated by both gamers and professionals who note that this game has strengths that other farming games do not have. Native language support in these countries seems to be an advantage of this game. In fact, it very quickly caught the attention of gamers around the world. Gameplay As mentioned above, one of the main tasks of a farming game is to grow food, Green Farm 3 is no exception. The most important factor is growth. You will get many seeds, plants, flowers, vegetables and you can plant them yourself. When they grow up, you can sell them to earn more money. The more quality seeds you use, the bigger the harvest and the more money you will make. The harder you work, the faster your workflow will be and the higher your level will be. Each time you level up, you can unlock useful features and more challenging tasks. Over time, you'll be able to unlock a breeding area, take care of pets, and unlock more seeds and animals. Graphics: Simple but very attractive. This game is made in a simple 2D style. However, its graphics are valued for stable sharp resolution. Attractive context, diverse characters and colorful graphics contribute to a better gaming experience. The sound is another plus that makes Green Farm 3 perfect.
