Being marked "absent" for the first week of a course will delay the first refund. On or before the first day of school or child care attendance parents/guardians are required to provide proof of either, full immunization, a certificate of exemption, or the initiation of and compliance with a schedule of immunization for their child, (per RCW 28A.210-080). The certificate is available for both students seeking a degree and those who do not wish to pursue a degree. All or some of the coursework in this certificate (and our other 2 real estate certificates) may also be applied to our Associate's degree in Real Estate Management.
