I ready answers level f

in: pages with broken file links edit comments “we are able to respond to requests for emergency pinches, with the hope that one day we will have all the time necessary for each quiz and no one will have to try to recover teeth. allow answers to anything you have in your hand. If you assume absurdity, remember, the order of questions does not change. I've been looking for the death of iredy. If you find that something is wrong here, please change or leave it as unpredictable. see the list of addresses on how to get every right answer if you want to contribute to a wiki response key. read the response keys[edit | edit source] level [Edit wikitext] determine the meaning of word using Greek and Latin roots and states the oo of machines that work alone. something written by hand having characteristics of an acid. in favor of reform or move forward psychic to an extreme degree. examine the figurative language in literature 1. John Henry was a very strong man. 2. paul bunyan was a very big man. 3. pecos bill horse was incredibly fast. 4. 5 lighthouse. as climbing mountain everest 6. in this thirsty place 7. so high that they pierce the clouds and reach the moon 8. generous in giving us food to eat is wrong; possibly a green blanket, a full size of life analyzing the structure and elements of poetry (there are about 2 answers that are still missing) a conversation between a wise father and his conceived son. 2. a b a b 3. a fat but livelyDude. 4. He thinks Father William is too old to do what he does. 5. Father william does not take too seriously. 6. Makes a joke 7. from joke to admiration 8. 9. do not underestimate what older people can do exploring point of view in literature - quiz - level f 1. the narrator is someone out of history 2. the narrator can reveal feelings of more than one person 3. the narrator wants the reader to know how echo feels about narciss. 4. his love for himself 5. The narrator wants the reader to know how he feels narcissus about him 6. the story would have many more details than they tell why beloved echo narciso so much 7. history would have many other details describing how narcissus felt about himself 8. obtained this erroneous sorrow by analyzing the structure poem compares josh with a musician. impressed by the music, as horace silver sounds, doing something really well reveals the name of one of Dad's favorite songs. Room 1 says why josh is annoyed by the name, but room 2 says why mom thinks it's a good name for josh. people make fun of him, grows to like the name, shows pride in josh the choice of parent encouragement by oando the digital print and reference care to determine the meaning of word animals born by a mother to do or design something training that develops the self-control glossary. a chemical made of only one type of atom . hang, attack, join, join a strong, almost unpleasant, taste level [G'edit | edit source] evidence of quote:Text 1. Arya still felt bad for failing to respect her grandparents 2. Arya took a deep breath to control her voice. 3. Nanu and Nani care about his clothes; Arya says they're easy to run. 4. They had sweet nicknames for her, and she felt loved. 5. Relax, Hurdles, (this part is wrong,) Confident 6. Cheering, Waving, Gazelle, Confident Comparing and Contrasting Literature to Multimedia Productions It is a night town He reached his museruola forward and rubbed Lutra's hand in a lovely way the skin of a person burned by the sun to show how only Cyprus and Lutra are to see a drinking tarcliraptor from the river. to bring particular attention to how brave Lutra is a sound effect of Cyprus and Lutra screams The playful music is replaced with scarier music to let the spectators know that the tension is building. to emphasize how great the tarcliraptor is an image of light that fades behind the shadow of the window Determine the meaning of word using text clusters 1. To engage or connect with 2. Taste, touch, smell, vision and hearing 3. To produce a feeling or feeling 4. Different parts within a larger structure 5. Excitement or increase of activity 6. Huge 7. take in mind or memory 8. Smug Understands the meaning Shades connotations Generoso Dreaded has a stronger negative connotation. Sbattuto Dragged Terrified Miserable Celebrate Understanding the relationship between words Recreation are adjectives describing fun events diversion contests organized competitions tournament things you doa celebration banquet party excursion Using Greek and Latin Roots and affirmations made by humans to set aside the measuring dinosaurs that do not stop the inter-going suffix agreement for things happen at the same time together Level H[edit | source of modification] Analyzing the choice of words: Information text 1. unsatisfactory, frustrating, satisfied 2. option 2 3. confidence, future, doing more work has enjoyed 4. books provided him many precious thoughts and opinions 5. feat suggests a great result 6. option 2 (can or not be correct) Comparison and contrast different structures of poetry The aunts of the poet have both soft, round bodies and the sweetness of the pears The form of the poem emphasizes the similarities between the pears and the people that the poem describes. Eating too much food can make you feel bad. It mimics the change from enjoying food to feel sick. In the lengths of the line "Pears" vary to create a form of pear, but in the lines "Hunger" vary to signal not to feel good. In both poems, the final stanza sums up the meaning of poetry. the lack of a strong rhythm in "Pears" gives him a delicate tone, while the singing rhythm in "Hunger" adds to the humorous tone in poetry. Structure of the lot of comparison and contrast Find comfort in singing his songs. The first line of each stanza tells how Billie Holiday sang all the time. This repetition is used to show how music is all you thought. He thinks they're too rigid. He wants to write poetry with less rules. "You go to my head" in stanzas, and every stanza helps to tell the story of how the music influenced Billie Holiday. "Free Verse" has strange words and repeated sounds, as in the phrase "chop and chew". These elements give poetry a carefree feeling. "You go to my head" conveys passion; "Free Verse" transmits playfulness. Structure of the lot of comparison and contrast Find comfort in singing his songs. The first line of each stanza tells how Billie Holiday sang all the time. This repetition is used to show how music is all you thought. He thinks they're too rigid. He wants to write poetry with less rules. "You Go to My Head" is broken into stanzas, and each stanza helps to tell the story of how music influenced Billie Holiday. "Free Verse" has strange words and repeated sounds, as in the phrase "chop and chew". These elements give poetry a carefree feeling. "You go to my head" conveys passion; "Free Verse" transmits playfulness. Determination of the meaning of Word by Context Clues 1. Decided immediately 2. dreamed of owning 3. Definition 1 4. Contrast 5. Some other greedy fishes 6. 7. Before much they are equally unhappy 8. "What doesn't make us happy?" For paragraph 3 9. Erroneous ideas 10. Well, studies constantly show that people with well-developed interpersonal relationships, or close ties with other people, always mark on a high index of happiness. Determine the meaning of word using Context Clues - from other countries - antonym / contrast - treat it a cosmetic productNot wanting to rely on something or someone who acted fresh; natural behavior informally or naturally the tourist strolled casually along the beach barefoot "life found only on that island"completely native of the land" originates in a specific region or country the indigenous people of africa often live differently than the African Americans Understand the connotative meanings opponents + enemies experience vanquish badge multilevel staff stress H words study words verbs discovery: describe inquiring verified thoery words, precise, credible, organized, significant Using Greek and Latin Roots and Affexes prefix car traits see worthy of being noticed a problem or disease a certain state or appearance able to bring useful results going beyond living with others Analyzing Differing Views in literature He doesn't expect it because the twins are malicious. Mrs. Murray thinks her twins are great boys, but the reader knows that Alison thinks otherwise. Make humor because Mrs. Murray thinks Alison is complimenting the twins when she's not. He thinks twins aren't well, but he doesn't know exactly what their plan is. They think it's harder to fool other babysitters. Alison doesn't think there's a trap.behind the door, but the reader knows there is. Slowly he put his hand on the hatch, prepared to enter the room. “You know, I don't have the most vulgar idea,” Alison said. Mrs. Murray thinks Alison and the twins had a quiet evening, but the reader knows what really happened. Now he sees them as an interesting challenge and he can't wait to catch them again. Analyzing the point of view and purpose in the informative text Being vegetarian is not easy. Vegetarian food can taste as much as meat. ...they taste. The new vegetarian products have deceived a food editorialist in a blind taste test. Vegetarians do not get enough protein in their diet. Meat eaters consume twice the amount of protein recommended daily. It's natural for humans. The expert opinion that human beings have always been carnivorous. Pointing out that vegetarianism is not contagious. To explain that being vegetarian is a healthy option that makes sense. Math Answer Keys [edit] Level G[edit | edit source] Level H[edit | edit source] Approximation irrational numbers 2.24 6.63 10.49 B to 4.7 C to 8.1 √105 is slightly more than 10, so 15 - √105 is less than 5. slightly more than 15 a little less than 12 Linear equations and Pstic AB slope is different from the slope of BC. -3 2 1 y = 1/2x + 2 graph A slope of the graph of y = mx + b y = 1/2 x Number and operations 9x10^6 5x10^10610^26 3.5x10^-12 4x10^6 1.92559524e+14 (2x10^-3)x(4Properties of both functions have the same initial value. There is a higher change rate at Company 1 Scenic Pathways has no registration fee and a higher cost per day. Fun A has a higher rate of change. Both functions have a negative rate of change. Jayna charges a lower time rate than Hannah Bella saves more for Sweet T cores. Dana had a higher initial value in its savings account Representative for Proportional Relations The initial value is 2. d=0.6t File:Graphanswer1.jpg Snack shop 3 Morgan earns more money per hour on Friday Bracelets are the same price as comics.
