Every corner youve turned, or ladder youve climbed, is part of your professional story. Add your work experience to showcase your accomplishments, the impact you had, the results you delivered, and the change you created. Try to write in short paragraphs rather than bullet points to help you tell a story. We also recommend adding a brief introduction to the company before jumping into your experience. Using a QR code to make new connections The LinkedIn app makes it easy to find and connect with members by quickly scanning their uniqueQR code.You can share your QR code via message, email or third-party apps. Once your QR code has been scanned, members will be redirected to your profile. This feature can only be accessed from the LinkedIn app. Download now: Google Play | App Store
