What does the bible say about the breastplate of righteousness.

So you remain balanced, with the belt of the truth-bound around the hips, with the bib of justice in its place (Ephesians 6:14) How can we remain balances in the spiritual war? In Ephesians 6:12. Paul tells us to be strong in the Lord and in the power of him and wearing the complete armor of God. It's not a battle that you can win with our strength. It is a battle against the devil and against innumerable spiritual forces all arranged to oppose God and the people of him. In Ephesians 6:14, Paolo begins to talk about the armor that Christians should wear. Commonly in writing, the clothing is used symbolically with actions and attitudes. For example, Colossians 3:12 he says: "Therefore, as the elected people of God, holy and loved, coated with compassion, kindness, humility, mildness and patience". In this passage, compassion, kindness, humility, etc., they are symbolized by the dress. It is the same with the armor of God. Every part of the armor of the soldier represents an action or an aptitude necessary for the believer to fight spiritually. Considering every armor, something about Satan's attacks tells us. No armor can be excluded in our war, because Satan and the demons of him will always attack the vulnerable area. In this text, Paul focuses on the belt of the truth and the bib of justice. Great question: how can believers remain balanced in the spiritual war using the belt of the truth and the armor of rectitude? Believers pounding the belt of the truth slowing down then, with the belt of the truth-titted around the hipsâ€™ (Ephesians 6:14) A Roman soldier carried a tunic under the armor, and a large leather belt. It was used to collect the Its dresses and to hold the sword. "Part of the armor worn, and held everything else together. It was fundamental. Likewise, the truth is a crucial component for every believer in this spiritual battle. It is a belt of truth that represents the content of the truth as revealed in writing. Jesus said this in John 17:17: "Consecrate in the truth, Your word is truth." That being said, we can clearly discern Satan's attacks during this era. We see it in the postmodern concept of relativism. We live in an era without absolute. It is the predominant philosophical thought taught today in our educational system. Peter Singer, professor of ethics in Princeton and probably the most influential Modern, he teaches that bestiality is not morally wrong (as long as it does not damage the animal), 2 and not even kill newborns with irony of the fate, teaches the same seminar where Jonathan Edwards was president! Due to teachings like this, we are growing a generation that is increasingly vulnerable to the devil. In their vision of the world, there are no absolute rights or errors. Therefore, sexual immorality, homosexuality, the murder of innocent babies, assisted suicide, and sometimes even coarse injustices as pedophilia are not wrong. The only thing is that we are declaring the existence of the absolute truth, because you will be persecuted. We live in a system that is based on the lies of the devil, and if you do not know the truth, you will fall into the temptation of the day. But Satan is not only attacking culture with relativism and other fashion lies, is also attacking the Church, the column and the base of the truth (1 TM 3:15) and, in particular, the Word of God. With Eva in the Garden, he attacked the word of God. What really said? "He asked. In the parable of the sower, the devil removed the seed on the side of the road before he could produce any fruit (Mat 13: 4). Our enemy always attacks the Word of God. In 1 Timothy 4: 1, Paul speaks of doctrines of demons who will bring some away from faith. The enemy of our souls constantly attacks the church twisting or denying Scripture, moving many from God. It is increasingly common for people to call Christians and do not believe that the Bible is true and without error, even if the writing refers to if Same as true, perfect, inspired and lasting (see John 17:17, PS 19: 7, 2 Tim 3:16, 1 Peter 1:23). Jesus says that man will not live bread alone, but from the Word of God (Matthew 4: 4). He does not say words, as many in the church today would teach, but every word. When believers accept the lie that not all writing is true, they are on a slippery slope. It is not too early after they throw the virgin birth, the resurrection, the judgment, the miracles of Christ, bringing them to completely discard the gospel and salvation. Saints, if you don't know the word of God, you are not ready to stay in this spiritual war. An ancient soldier couldn't even fight without tightening the belt, all the clothes of him would hinder him. And not even we can fight without knowing truth. Ephesians 4: 11-14 He speaks of God who gives to the shepherds and teachers of the Church, so the sons of him would no longer be thrown to and fro from every teaching wind, and by men deceptions. The enemy rejoices the believers who do not know the Word of God, but at the same time he is defeated by those who know it. He considers the description of Giovanni of young spiritual in the Church in 1 John 2:14. He says: "I'm writing you, you are young, because you are strong, and the Word of God lives in you, and you have won the evil. The young spirituals surpass the devil because the word of God is strong in them. are conquering their lusts, lusts, False teachings and helping to put others free. It is no wonder that many of the great warriors of the history of the Church have been men and women of the Word of God. It was said of Martin Luther who basically memorized the entire Bible in Latin. John Wesley almost memorized the entire Greek New Testament. If we win this battle, we must know the great doctrines of the Word of God. In considering this, we particularly recommend that young believers systematically study the main doctrines of Scripture. It is more difficult to understand the verse of Scripture in verses in a short time, but easier to understand systematically. The systematic theology of Wayne Greder, for example, addresses the doctrines of Christ, the Holy Spirit, salvation, final times, etc. Know what the Bible teaches about the main doctrines so that it did not lead out of the way from all false teachings circulating in the church. Questions of question: How is the enemy attacking the truth all over the world and the Church today? How is God stimulating you to hide the truth of God in your heart to be better with attacks? 2. The belt of truth represents living a life of honesty and integrity. The belt of truth does not only represent knowing the content of truth, but also living the truth practically in our daily lives. Ephesians 4: 25-27 says: so each of you must postpone the lie and speak truthfully to his neighbor, because we are all members of one body. "Hy rage don't sin ... don't let the sun go down while you're still angry, and don't give the devil a standpoint. Practicing falsehood and hypocrisy opens the door of the devil in our lives - gives him a standpoint. Commentators think that the belt of truth refers to serving the Lord wholeheartedly, with total commitment, like a soldier going into battle. John MacArthur says this: I think it is girded with the truth has to do primarily with self-discipline "for total commitment. It is the committed Christian, just as it is the committed soldier and the committed athlete, who is prepared. Winning in war and sports is often said to be the direct result of the desire that leads to careful preparation and maximum effort. It is the army or the team that wants to win the most who is most likely to do so. ... "even against great odds ... To be content with mediocrity, lethargy, indifference and half-heartedness" the heart is not to be armored with God's Truth Belt and to be exposed to Satan's schemes. Christ says that to follow Him one must hate one's father, mother, brothers, sisters, and even his own life (Lk 14:26). It requires total commitment - anything less is not to be his disciple. Anything that could hinder our walk with Christ must be removed. Unconquered Christians are fodder for the enemy. He uses them to scatter people from Christ instead of gathering people to Christ (Matthew 12:30). Questions: Is there anything in your life that keeps you from being fully committed to Christ? If so, how can you go on fire for God "fully committed to him? Are you putting on the belt of truth? Are you daily trying to know the full counsel of Scripture, or are you neglecting the word of God? Are you practicing truth or are you practicing hypocrisy and deception? Are you fully committed to Christ, or are you reluctantly? We need to put on the belt of the truth against Satan's attacks. Application application: what aspect of the belt of He's distinguished for you and why? Stand Firm Believers putting on the right chest Stand still then, with the truth belt buckled around your life, with the breastplate of justice in place, (Ephesians 6:14) The Roman soldier wore a piece of hard armor and sleeveless covering all the torso, front and back, from neck to waist. It was often made of leather, metal or chains. The main purpose of the armor was to "protect the heart, lungs, intestines and other vital organs". 3 Interpretation Question: What represents the pectoral of justice, how do we put it, and how does it protect us from the enemy? As for the belt of truth, commentators are divided on what the pectoral of justice symbolizes. It could be different. 1. The breastplate of justice represents the recognition of the justice charged with Christ. According to Corinthians 5:21 says: "Who knew no sin became sin for us because we become God's righteousness" (paraphrases). Essentially, Christ took our sin to the cross and gave us his justice. This is the reason why we can enter the presence of God and worship him. When he sees us, he sees the justice of Christ. This is probably symbolized in Zechariah 3:1-7, where Joshua, the high priest, enters the presence of God wearing dirty clothes. Satan stands on the side of Joshua to accuse him, and without doubt declare him unsuitable to be in the presence of God. However, God rebukes Satan and puts clean clothes on Joshua, which probably represents imputing to him the righteousness of Christ. The Angel of the Lord says: "Take his dirty clothes." Then he says to Joshua: "See, I have taken away your sin, and I will put you rich leaders" (v.4). It's the same for us. Our clothes, which represent our character and our works, are unclean to God. Even our righteousness is like a filthy filthy (Is 64:6). Even our best works are full of bad intentions, to know, to exalt, etc. However, God rebukes the devil and gives us clean clothes—the righteousness of Christ. This is the only reason we can be in the presence of God. Since the imputation of Christ's justice takes place in salvation, many commentators say that the pectoral of justice cannot represent the work of Christ. How can we put it if we already put it in place? However, we still have to recognize this work to oppose the accusations and condemnation of the devil. Many believers, while fulfilling salvation by grace, think that they are their daily works that continue to justify them before God. When they fail to fully fulfill the just requirements of God, the enemy quickly comes to condemn them and remove them from God. Not recognizing the work of Christ. I agree with the devil. "You are right. Satan. I should not go to church. I should not read my Bible, which would be hypocritical." TheyWith the devil's liesâ€™ "Devil openings" Open He brings to fall in their hearts and minds. However, we don't have to. We must continually declare the justice of Christ. "I am justified by Grace" The undeserved favor of God "through the justice of Christ. I can't do anything to justify myself before God. Every day I have to throw myself on God's well-educated provisions. He provided the perfect lamb he was killed so he could enter his presence. » Are you still according to the perfection of the Lamb? Otherwise, you will accept the lies and condemnation of the devil and allow him to let him go away from God. Every day we must recognize the perfect justice of Christ to wear the armor of justice. Application question: how do you recognize the difference between condemnation from the devil and conviction from the Holy Spirit? How can we practically apply the justice of Christ in our war? 2. The armor of justice is our practical justice. But the armor is not only charged justice; It is also practical justice. When we are living a right life, we are protected by Satan. However, when we fall into sin, we give Satan an open door to attack and defeat us. Again, Ephesians 4: 26-27 indicate this, as it says, "your anger not sin: Don't let the sun go down while you're still angry, and don't give the devil. »The parable of the Servant Unforgiving in Matthew 18 also represents this truth. In the parable, a master forgives a servant a great debt, but the servant did not forgive his companion servant a much lesser debt. For this reason, the master delivered the servant to the torturers. Matthew 18: 32-35 shares the Master's judgment: "Being the master called the servant in. "You servant evil," he said, "" Canceled all that debt of yours because you begged me to Do not have mercy on your fellow servant just as I had on you? "Anger, his master turned him to the crafts to be tortured, until he had to repay everything he had to. "This is the way my heavenly Father will treat each of you unless you forgive your brother from your heart. Of course, the Master reflects God and the servants reflect believers, but who are the torturers? No doubt, I am Satan and his demons. We see it during Scripture. When Saul was sinful, to whom did he do it of God? A tormenting spirit (1 Sam 16:14)! In the Corinthian Church, when an impenitent man was supplying his stepmother, who made Paul call for the Church to deliver him? Satan (1 Cor 5: 5)! They'd do this by putting him out of the church. Sin opens the door for the devil in our lives. Without doubt there are many Christians who, following impenitence, have psychological problems, which are of demonic origin. There are tormented Christians in their minds, bodies, work and relationships because they have been delivered by God to the enemy until they repent. Ephesians 2: 2 says Satan Satan in those who are disobedient. However, a just life is a protection. Application questions: What doors are still open in your life for the enemy? How does God call you to get away from sin so that we can put the armor of justice? 3. The armour of justice is to guard our minds and emotions. As mentioned, the Roman soldier's armour has been used to protect vital organs such as the heart and the intestine. In the Jewish mentality, the heart represented the mind and will. The bowels, or intestines, emotions and feelings represented (cf. Col 3:12, KJV) 0.9 Therefore, the armour is probably guarding our minds and emotions. Solomon says, "Above all else, your guard your heart for all you do flows from it." (Proverbs 04:23, NR 2011.) Satan realizes that, if he can get our mind and emotions, they will interest our adoration and our obedience to God. That's because he always works at the wrong teachings of planting and lies in our mind through books, music, TV and conversation. Our minds influence our Walk as we live. But he also wants to get our emotions. Many Christians are emotionally all over the place, and part of this is the result of spiritual war. Satan provokes people to criticize and condemn. He raises small novels with the opposite sex to distract us from focusing on God. You work to make believers worry and act for the future so that they lose their joy. The enemy is cunning and passionate. Therefore, we must keep our heart above everything else. Application: How can believers clothed with the armor of justice, to guard their hearts? Believers guard their hearts by recognizing wrong thoughts and emotions, bringing them into captivity, and making them obedient to Christ. According to Corinzi 10: 4-5 says, weapons fighting with weapons are not of the world. On the contrary, they have the divine power to demolish strongholds. We have demolished arguments and every claim that arises against the knowledge of God, and we take every thought prisoner until we make it obedient to Christ. Here we see that an important part of our struggle is recognizing wrong thoughts and emotions, bringing them into captivity, and making them obedient to Christ. For example, Scripture teaches us to be anxious for nothing" (Fil 4: 6) is a thanks in every thingâ€™ (1 Ts 5:18). When we are struggling with anxiety or complaining, our hearts and minds are not obedient to Christ. We need to confront ourselves with wrong thoughts and emotions with the truth, we confess them to God, and transmit them to Christ. Are you taking your thoughts and emotions in captivity? Scripture calls us to control our emotions. God says: "Rejoice in the Lord, always. I repeat: Raise A (Fil 4). I have to decide to obey even when it gives me you like more! I must bring my heart to submission to Christ. Believers guard their hearts by filling their minds with Scripture. Philipians 4: 8-9 says: So, brothers, all the real things, all the noble, whatever is right, whatever is pure, whatever is adorable, whatever is admirable ... if something is excellent or praiseworthy - think of such things. Whatever you have learned or received or heard from me, or seen in me... put it into practice. And the god of peace will be with you. If we fill our minds with truth and justice, then the devil will have less opportunity to tempt us. Every day we must fill our minds with truth thinking of Scripture through our reading, worshiping and even entertainment, if possible. Application question: how does Satan commonly attack your mind and emotions? How do you take thoughts and rogue emotions captive and make them obedient to Christ? Are you putting on the armor of justice? Are you recognizing the justice charged with Christ, living a life and keeping your heart and emotions? Without these practices, you're opening the door of the devil. APPLICATION QUESTIONS: What aspect of the battleship of justice has been stopped more to you and why? Conclusion How can believers support firm in the spiritual war - the attacks of Satan and his demons? 1. Believers are stopping by putting the belt of truth through knowing the content of truth as revealed in Scripture through the life of a life of honesty and integrity through being fully committed to God 2. Believers are stopping by putting courage by putting the courage of justice.
