Download a bylaw and rule change proposal form (PDF) and e-mail to rulechanges@aqha.org. Define the problem and develop as many possible solutions as you can by asking others for input. Choose one possible solution that appears to be the most appropriate and that fits the mission and goals of AQHA. Determine if any other rules would be affected if your proposal were to be adopted, and specify the rule numbers. Submit proper wording for a proposed rule change by typing or neatly printing the exact wording being proposed. If you propose changes to existing language, strike through the words you propose to delete. Type in bold and italics the words you propose to add. Meritorious proposed rule changes submitted with sufficient documentation and specific explanations detailing reasons for the change will be assigned to the respective committee(s) and included on AQHA's website with an invitation for members to submit comments. Rule changes submitted without sufficient documentation and specific explanations detailing reasons for the change will not be assigned to a committee.
