This property offers access to a balcony and free private parking. Everything! The apartment is huge, nice decorated and very functional. Mari thought about everything: baby chair, stool, everything you may need in the kitchen, air conditioner in every room, comfortable beds. Mari left a lot of information about things to see around. She also was very responsible to every question. There was a lot of food in the fridge, snacks and cornflakes. The location is very good, it was easy to go to every side of Italy. We travelled to Napoli and Salerno. I really recommend this apartment. Show more Show less Like every year the appointment awaited by the faithful of San Sebastiano al Vesuvio, or the feast of the Saint Patron Saint Sebastian. And with it there will also be the XXII edition of the Sagra dò zuffritte, sassic 'and friarielli, or the "fried" and sausage and friarielli festival, the January 19 2019. The event will take place at the Piazza Town Hall, in the parking lot adjacent to the sanctuary of San Sebastiano martire. To cheer the guests, there will be young people from the church of San Sebastiano Martire and the proceeds will be donated to Parish Caritas dedicated to supporting the less fortunate. Furthermore, it can not be missed tasting of two winter dishes typical of the local gastronomic tradition: the fried, soup with various components of pork entrails, cooked in tomato sauce and flavored with herbs and hot peppers, and sausages accompanied by broccoli. Two dishes that are particularly inviting and good to eat, which with their caloric intake will help you feel less of the cold typical of winter. An event dedicated to conviviality, good mood and good food.
