Why did the united states become involved in the affairs of some latin american countries

Krumanop / ShutterstockThe Full dictation is: ~ â € ¢ ± â "You can put lipstick on a pig, but it's still a pig. If you live outside the United States, you probably wondering who on earth would put lipstick on a pig? Well, no one is (we do not think!). The saying means that, no matter how much you try to do something look good, it's what it is. You can not play a job at all - Uh Oh, these American products probably do not make sense to anyone outside the United States! You should also make sure you never say the most annoying phrases of English tongue. Peter Cripps / ShutterstockIf You are not from the United States, you can hear someone say this and think they work in a cemetery. As masterful! Really, this saying just means that someone is working from midnight until about 8 in the morning, when where they work can be as quiet and dead (which are empty) as a cemetery. If you are from states, you may want to learn the meaning behind every motto of the state. Pixel-shot / Hindi Shutterstockin and many other languages Â € â € ± â "chai â € ~" So when the people in the United States ask for a Chai cha, they're really asking for â € ~ ~ ~ "tea tea. What sounds hilarious! The correct way to ask Chai would be to ask for milk with a sugar. Here are the most common phrases that you never knew was redundant. Nadya Kubik / Shutterstockon the XVIII Series, the Britishers used this French word which means the entrance to describe the food that was served before the main meal. However, in the United States, Americans decided to call the first part of the meal an appetizer and the main course the entrance E. in the next time you bring your French friend for dinner, make sure they leave them Order your input meal after the appetizer. Here are 70 words and phrases that you are probably using everything wrong. Denisproduction.com/shutterstockyou be thinking how confusing the word shorts can be. It's just a piece of clothing, right? We're going, come on, yes. But in England shorts mean underwear; no © of denim shorts or denim shorts. If you talk to someone© about your new calais in England, they can tell you that you are sharing too much information©. For the rest of the world, the ©time of the year when the weather gets a little cold and the leaves start to change color © typically, and correctly, called autumn. If you want to sound even more correct, and maybe © a little outdated, you can call this harvest season. mocker labs/ShutterstockBetween the 1980s and 90s, fanny packs became a major fashion trend in the United States. In England, ©, Britons definitely thought that we © crazy and a little rude. In British English, fanny means vagina. One could only imagine what came to his head when they heard that people all over the United States were wearing © backpacks. Yikes! Here are 17 more English words that have totally different meanings in other languages. Cookie Studio/ShutterstockPeople in the United States often say this when they describe something they don't care much about. However, what they really say is © care about and could just worry a little less. If you mean you don't care much about something, the appropriate phrase ©, "I couldn't care less.Â€Â taviphoto/ShutterstockWait, but what © for birds? This North American saying is intended to describe something that does not matter or that © trivial. But when heard by someone who© doesn' © the United States, they may think that you literally have something for birds. Laugh at the most common statements that are perfect nonsense. Niyom Napalai/ShutterstockHuh? But it's sunny out there! This is© one of those American sayings that originate©d in the 1880s, when the audition of a baseball game had to come back the other day, because that game was due to rain. The meaning of the saying is © today similar, but no © reserved for Baseball games. You can stay for another time for a spectator that has been canceled or for an article you want to buy in the store, but that is exhausted. Biliðes photos / Shutterstock has grown out of the United States. John Hancock may not have been one of the first historical figures on which he learned at school. But John Hancock was one of the founding parents of the United States and had the largest and most recognized signature in the statement of independence. So if someone says you need your John Hancock, all that is asking is a signature. Discover the historical figures that have mistakenly imagined. Crafter / Shutterstockback In the United States of the XIX Series, there was an African-American tradition for slaves or men and women released that wrapped around a cake. They would walk like a couple around the cake and the graceful pair would win the cake. It looks hard, right? This "when the saying" biking "entered everyone's vocabulary. Later, this phrase evolved to the cake, Â € which means something was easy. However, anyone Outside the United States may think that it is crazy if you are always comparing something like an easy work task with a delicious dessert. Napaphat Kaewsanchai / Shutterstock This American saying may not even make sense for people who do not live in the south or on a farm. If you do something - even the cows arrive at home, it means that it will take all day to do it. It has origin on agricultural lands where cows graze in the fields all day before returning home At night to feed themselves. If something is not done - even the cows come home, it will be waiting for some time. Phew! What a turbillon of said Americans to decipher. Then check the words of the Gream that No one out of their condition will understand.
