We are engaging in a restructuring process in an effort to define the provincial office's purpose, and to strategically align our provincial staff team roles with the mission of the ACNA. We want to set the ACNA up for success as we move into a new phase of development in the life of our Province, and position us for continued growth and health as a member of the Anglican Communion. Currently, we are recruiting for the following positions: ● Director of Outreach and Development: a senior management position that plays a critical role in planning, developing, and executing engaging and sustainable outreach and fundraising strategies that advance the ACNA's mission and goals. This role will serve as the primary liaison between the Archbishop, dioceses, and all of the Church's diverse ministry constituencies. ● Director of Administration and Operations: a senior management position that is responsible to lead and oversee the daily operations and administrative functions of the Province. This position will play a key role in optimizing business processes, enhancing organizational efficiency and ensuring alignment with the ACNA's strategic goals. ● Director of Finance (fractional/part-time): provides strategic leadership, business acumen, and financial expertise for the Provincial Office, and is responsible for management and implementation of fiscal policies and procedures, accounting operations, financial reporting, audits, investments, and internal fiscal controls. ● Executive Assistant to the Chief Operating Officer (Executive Director) (part-time hourly): provides high-level administrative support to ensure the efficient operation of the Chief Operating Officer's (Executive Director's) office.
