

I'm not a robot

Good morning, I'm reading "Pride and Prejudice" and I've come across this expression "the chief of the night". I don't know what it means and can't find its meaning anywhere. Could you help me out? I'm posting part of the text it belongs to: "Elizabeth passed the chief of the night in her sister's room, and in the morning had the pleasure of being able to send a tolerable answer to the enquiries which she very early received from Mr. Bingley by a housemaid, [...]" You can find it all here: Thank you all in advance! It's certainly archaic and I assume it means la mayor parte de la noche. La parte principal de la noche. Entiendo que debe haber una especie de omisión (the chief part of the night). En todo caso, el sentido que le veo es ése: la mayor parte de la noche. Espera a ver lo que dicen otros. Un saludo. You must log in or register to reply here. Sample sentences: A few factors contribute to juvenile delinquency. Chief among them is violence in the home. Background: When explaining the structure of "Chief among them is...", I said it was an inversion, but one of my friends denied. Questions: [1] Is the word "chief" an adjective? [2] Is "Chief among them is..." an inversion? [3] Does the second sentence mean the same as "Violence in the home is chief among them."?. Thanks if you would help :) It's either inversion or ellipsis. I think I go for ellipsis, because "chief" isn't an adjective modifying "violence". (The) chief (factor) among them is violence in the home. ¡Hola! ¿Alguien sabe cómo se le llama al máximo dirigente de una casa de subastas? El término en inglés sería The whole problem would rapidly move to the chief curator and their lawyers. He visto mucho conservador jefe, pero parece que es solo para museos, no sé si valdría para una casa de subastas. Tal vez encargado jefe, o director. ¿Qué opinan? Gracias ¡Hola Sweet Olga! He leído varios portales en las que se refieren al máximo dirigente de una casa de subastas como "director de Casa de Subastas (Rafael Matos, Morton, etc.). Espero que te haya servido.
