Lake hartwell fishing report striper

Deep-sea fishing used to seem extreme. Not anymore. Now, days where you fish by hand or reel in 200-plus pound marlins -- from a kayak -- are considered just another day on the water.By John PerritanoNot exactly known for being the most attractive fish in the sea, the dogtooth tuna has, in recent years, become increasingly sought after by sport fishermen seeking a challenge.If you've ever watched a fly fisherman wade into the river and begin to dance his glinting line above the rushing water, you've probably developed an envy of his art -- not to mention his gear.When you saw the words "helicopter fishing," you probably assumed we were going to tell how to emulate "Madman of the Sea" and "Man vs. Fish" host Matt Watson's feat of diving from a chopper into the Pacific Ocean and landing on the back of a big marlin.There's no standard rule of thumb for what kind of person might undertake the sport of ice fishing, aside from being able to deal with bitterly cold weather.Have you seen the clip of "Man vs. Fish" and "Madman of the Sea" host Matt Watson wrestling with a marlin from the precarious perch of a Sea-Doo? Looks a bit extreme, doesn't it?Catch-and-release is becoming more and more popular among fishermen who want to make sure the fishing in their favorite spot remains good. It's the purest sort of fishing, practiced by anglers who enjoy the thrill of the fight but want to give a worthy adversary the opportunity to go on living -- and perhaps to fight the line another day.Fishing pictures show pictures of fishermen and their catch. See pictures of fishing and fly fishing, and even pictures of ice fishing.Without fishing quotas, we might reach a day when there's no surf in surf and turf. Overfishing is a huge problem and could lead some fish to extinction. How's fishing regulated?By Charles W. BryantAny angler will agree -- there's nothing like the thrill of the catch. And if that catch is tasty, well that's even better. Crappie fishing is one of the most popular and productive types of fishing. Check out our helpful crappie fishing tips.By Sarah SiddonsGo big or go home, right? Ask any angler about the greatest win of the game and you're likely to get the same response. Once called the catch of 10,000 casts, muskie have become the most popular of game fish, due in part to their elusive behavior.By Vivien BullenA great way to find fish is to seek out their spawning grounds. At the first signs of spring all across the United States, fish begin migrating toward their favorite reproductive spots. The key is to be ready when they are.By Simon ShadowTrout spawning is a very exciting moment in the lifecycle of the trout. The trout spawn is a perfect example of reproductive processes found in the natural world. So head down to your local lake or river and see some trout spawn.By Rosalind JacksonWith nearly 165 species in its family tree, freshwater perch just might be the most abundant fish in North America. That abundance -- plus the tasty meat -- might explain why anglers are hooked on perch.By Claire BloomKnown in full as muskellunge, the muskie -- or musky -- can be quite the magnificent catch, but it's not without hard work. What do you need to know to catch a muskie worth mounting?By Sarah SiddonsRegardless of whether you have fond childhood memories of rod-and-reel fishing with Grandpa, you might still like to learn a few tips about catching bluegill -- aka sunfish, bream or perch.By Chris MarloweImaging your fishing pole being attacked by a car traveling at highway speed -- that's what it's like when a pike hits your line. What are the best places to fish for this ferocious predator?By Sarah SiddonsSome salmon travel up to 3,000 miles on their quest to spawn in natal waters. What are the best spots along the way for you to do a little fishing?By Olivia PageCan't get a bite? Fishing reports can give you a heads-up about weather conditions, water temperatures and fish behavior before you even hit your chosen body of water. But how are they created?By Stephanie WatsonNothing is more important in the hunt for rainbows, cutthroats and brookies than the right gear. So what items do trout masters make sure to carry with them to the banks of rivers and streams?By William HarrisAt maturity, catfish come in a wide range of sizes. Some little guys can be as tiny as 1 1/2 to 2 inches long. And some can grow to mammoth sizes. But none have anything on the Mekong giant catfish.By Jessica Toothman Whether you're looking for trophy-sized fish, peaceful scenery, good flavor or a good fight, think about fishing for lake trout. You might get a lot of fight -- and a lot of fish. The largest lake trout ever caught weighed in at 102 pounds (46.2 kilograms) [Source: Freshwater Fishing Canada]. You can fish for lake trout throughout most of the year, depending on how icy your favorite lake gets. And you'll get a fantastic meal -- or, if you're lucky, a dozen of them.Lake trout have a lot of nicknames; it's possible you've already fished for lake trout and not known it. In some areas they're known as lakers. Because of the fish's high fat content, they're also known simply as fat. Other names, such as Mackinaw, Siscowet or Namaycush, are rooted in Native American languages. You might also have heard of them as humper, char, gray trout, paperbelly or landlocked salmon.In this article, we'll take a look at the different conditions of habitat and weather that affect lake trout fishing. We'll also go into some detail about the two most popular techniques, jigging and trolling. But first, the all-important question: Where do you want to go fishing? striper fishing report lake hartwell sc
