St johnsbury academy graduation 2024

Founded in 1842, St. Johnsbury Academy is a comprehensive independent secondary school widely recognized as an institution that develops character, academic excellence, and civic responsibility in its students. The Academy enjoys a unique structure: it is a private boarding school with a strong contingent of international students, as well as the receiving school for its own community. Sarah Garey, HKI board member and Director of the Health Services at the Academy, is leading her fourth student trip to India in the spring of 2018. Thirteen students, the Academy Headmaster, Sarah, and chaperones will go to Porayar to work on creche projects and the Health Center. In preparation for their trip, students are learning about India and what they will encounter there, and are hard at work raising funds to contribute to BET through HKI. The Academy is committed to furthering global understanding by encouraging foreign travel and study. Learn more by visiting the St. Johnsbury Academy web site. The Colwell Center for Understanding supports language learning, cultural understanding, travel and exchange programs and serves as a resource to students, faculty and the community. See their India 2012: Porayar and Beyond video. There will be two mandatory marching practices on Wednesday, May 28, and Thursday, May 29, both starting at 9:00 am. Please ensure that your senior is in attendance for both rehearsals. Students should wear or bring the dress shoes that they plan to walk in for the rehearsals. 5/15/25 – Senior Breakfast: Seniors will get to enjoy a breakfast with their advisory in the Streeter Dining Hall during the school day, which will also be the last time that advisors and advisees will be together as a group. Seniors will hear from their Senior Class Dean, the Alumni Office, and Dr. Howell. The school day will remain the same with shortened classes to accommodate the Senior Breakfast. All underclassmen will meet with their advisories in their normal advisory locations during the Senior Breakfast. 5/28/25 – Last Chapel: This is an event for all current students and faculty/staff to celebrate our departing faculty and celebrate our seniors as a school. Families may watch this ceremony. The link will be provided prior to the event. 5/29/25 – Senior Prom: Our Senior Prom will take place in front of Brantview Hall under the tent from 7:30 – 11:00 pm. Valet parking will be available for Seniors at the circle in front of Brantview, or they can park in any of the student parking spaces and walk up. Families are welcome to line Stowe Green to await the arrival of their senior! 5/30/25 Senior Tea: Seniors and Senior advisors are invited to Headmaster Howell's house on Main Street, next to Severance Hall, from 1:00 – 3:00 pm to enjoy tea and time with Dr. Howell and the Senior advisors. 6/1/25 Class Day: Class Day is our Senior awards ceremony and gives families a chance to hear the Seniors sing their Senior Song. It is the first time Seniors will be in their caps and gowns, and is mandatory for all seniors. Seniors need to arrive no later than 12:15 pm to line up on Stowe Green (Alumni Gym if it is raining). Southampton's Academy players took centre stage at St Mary's as they were congratulated at the Academy Celebration Evening, to commemorate a remarkably positive 2024/25 season for our young talent. As well as the Under-21s having next week's Premier League 2 play-off final to come, there have been several trophies collected both domestically and abroad throughout the 2024/25 campaign. The Under-11s won the Corey Price Final, and the Under-12s won both the prestigious Premier League Truce Tournament and Premier League Cup competitions for the first time in the Academy's history. There were several other semi-final, final, Premier League National Finals and European tournament wins across all age groups throughout their respective seasons. However, on Thursday evening the players and their families from U8s-U21s level were invited to St Mary's for an evening of celebration and presentations to recognise their individual progress and achievements, in collaboration with event sponsors TrophyMan. Chief Executive Officer Phil Parsons and Group Technical Director Johannes Sports along with other first team staff were in attendance, as Director of Group Talent Strategy Andy Goldie, Academy Manager Duncan Fearnhead, and several Academy staff members presented the awards to Saints' youngsters and staff, past and present. Jay Robinson and Tyler Dibling speak with Andrew Surman and Kenzie Benali on stage. (Photos: Chris Moorhouse) Player of the Year Awards were handed out to every age group's standout performer as voted by their team mates, along with a new Saints Proud Award for players who have followed the club's values and demonstrated high standards across the season. Additional awards given to individuals across multiple age groups, as Luca Lask took home the Under-9-12s Player of the Year, George Kift won the Under-13-16s award, whilst Jay Robinson was awarded the Under-18-21s trophy. Commemorative framed shirts were handed out to the players that made their senior debuts in the past year, as Robinson was joined by teammates Joe O'Brien-Whitmarsh and Romeo Akachukwu to celebrate their achievements. Elsewhere, Nick Oyekunle and Tommy Dobson-Ventura were recognised for becoming the Under-18s Premier League record goalscorer and record appearance holder respectively. This season's nineteen international youth players were recognised for representing their nations, which kept Southampton in the top five most-represented academies across England youth squads, whilst we also celebrated the success of our loans programme and marked the new intake of Under-9s and Scholars for 2025/26. This season's latest senior debutants from the Academy. Off the pitch, there were six further important recipients; starting with the Legacy Award, which was presented to Julia Upson, who ran the Darwin Lodge where Saints scholars lived from 1998 until May 2010. She played a vital part in the development of hundreds of Southampton scholars and young professionals, including the likes of Gareth Bale, Theo Walcott, and current Academy staff Olly Lancashire and Matt Paterson, who presented Julia with her award. The Ben Cull Award, for "showing bravery, courage and determination in the face of adversity," - named after the former Saints Academy player who tragically lost his battle with cancer in 2023 - was presented to Broghan Sewell from the Under-16s age group by Ben's parents, Simon and Julie. The Outstanding Contribution Award was presented to Dick Hayes, who is a well-known member of the recruitment team that has played a part in signing over 80 players during his 18 years at the club, and the Saints Proud award was handed to U15s-U21s Player Care Officer, Matt Paterson. By the time they graduate, our students will have worked incredibly hard, overcome many challenges, chronicled numerous achievements, and grown into young adults equipped to take on the demands of college and career. Some will attend top universities and liberal arts colleges, culinary schools, art schools, engineering schools, technical colleges, and an array of other 2- and 4-year institutions. Others will enter apprenticeship programs in the trades, become entrepreneurs, and enter the workforce as assets to their companies and communities. As a part of this life-changing community, each has their own story — their own SJA experience.
