Blew me away. Shara has been recording for about 14 years and somehow I never heard of her. That's what happens when you have a steady diet of K-LOVE radio, you don't get to hear singers like this. Fortunately we have KYCC in Stockton, CA, and they play non-mainstream artists. This a fabulous song, and Shara has a fabulous voice.That's Shara's friend Tony Landry singing on the bridge.
