County Information[edit | edit source] Description[edit | edit source] The County was named for John Paulding (October 16, 1758 - February 18, 1818), who was famous for the capture of the British spy Major John André in 1780 during the American Revolution. André was on a mission carrying secret papers from Benedict Arnold when he was captured. The County is located in the northwestern area of the state.[2] County Courthouse[edit | edit source] Paulding County Courthouse 11 Courthouse Square Dallas, GA 30132-1401 Phone: 770-445-7527 Paulding County Website Clerk Superior Court has divorce and court records from 1876 and land records from 1848.[3] Paulding County, Georgia Record Dates[edit | edit source] Information for this chart was taken from various sources, often containing conflicting dates. This information should be taken as a guide and should be verified by contacting the county and/or the state government agency. Known Beginning Dates for Major County Records[4] Birth* Marriage Death* Court Land Probate Census 1919 1833 1919 1876 1848 1850 1820 *Statewide registration of births and death began in 1919. General compliance for births by 1928 and deaths by 1922. Record Loss[edit | edit source] Boundary Changes[edit | edit source] Populated Places[edit | edit source] For a complete list of populated places, including small neighborhoods and suburbs, visit HomeTown Locator. The following are the most historically and genealogically relevant populated places in this county:[8] History Timeline[edit | edit source] Resources[edit | edit source] Bible Records[edit | edit source] Biographies[edit | edit source] Business, Commerce, and Occupations[edit | edit source] Cemeteries[edit | edit source] The following web site may have additional information on Paulding County cemeteries. Census Records[edit | edit source] Church Records[edit | edit source] Church records and the information they provide vary significantly depending on the denomination and the record keeper. They may contain information about members of the congregation, such as age, date of baptism, christening, or birth; marriage information and maiden names; and death date. For general information about Georgia denominations, see the Georgia Church Records wiki page. List of Churches and Church Parishes Court Records[edit | edit source] Directories[edit | edit source] Emigration and Immigration[edit | edit source] Ethnic, Political, and Religious Groups[edit | edit source] Funeral Homes[edit | edit source] Genealogies[edit | edit source] Guardianship[edit | edit source] Land and Property Records[edit | edit source] Land and property records can place an ancestor in a particular location, provide economic information, and reveal family relationships. Land records include deeds, abstracts and indexes, mortgages, leases, grants and land patents. See Georgia Land and Property for additional information about early Georgia land grants from the government. After land was transferred to private ownership, subsequent transactions (generally buying and selling deeds) were usually recorded at the county courthouse and where records are currently housed. Local Histories[edit | edit source] Local histories are available for Paulding County, Georgia Genealogy. County histories may include biographies, church, school and government history, and military information. For more information about local histories, see the wiki page section Georgia Local Histories. Salt Lake City, Utah: Filmed by the Genealogical Society of Utah. film 422021 Civil War Battle The following Civil War battles were fought in Paulding County. Spanish-American War World War I World War II Naturalization and Citizenship[edit | edit source] Newspapers[edit | edit source] Obituaries[edit | edit source] Other Records[edit | edit source] Voting Records Periodicals[edit | edit source] Probate Records[edit | edit source] Colonial courts kept some early probate records. From 1777 to 1798 and since 1852, the court of ordinary or register of probates has kept probate and guardianship records. The inferior court handled probate and guardianship matters from 1798 to 1852. Many probate records to the 1930s and 1940s are at the Georgia Department of Archives and History and the Family History Library on microfilm. Content: Probate Records may give the decedent's date of death, names of his or her spouse, children, parents, siblings, in-laws, neighbors, associates, relatives, and their place of residence. Record types: Wills, estates, guardianships, naturalizations, marriage, adoption, and birth and death records (not all years). Online Probate Indexes and Records School Records[edit | edit source] Social Security Records[edit | edit source] Tax Records[edit | edit source] Taxes were levied on free white males over 21 and all slaves up to age 60. These persons are referred to as "polls." Tax listings, or digests, of a county generally list the taxable landowners and other polls and the amount of tax. The records for each county are divided by militia district. Vital Records[edit | edit source] Vital Records consist of births, adoptions, marriages, divorces, and deaths recorded on registers, certificates, and documents. A copy or an extract of most original records can be purchased from the Georgia State Department of Health, the County Clerk's office of the county where the event occurred or order electronically online. For some online statewide indexes, see the FamilySearch Historical Record Collections for Georgia.
