It looks like you're offline. As many begin a new year of Bible reading, we would do well to remember one of the chief dangers: searching the Scriptures, and missing the Savior. Recall Jesus's words to the Jewish leaders of John 5, those most devoted of Bible readers: You search the Scriptures because you think that in them you have eternal life; and it is they that bear witness about me, yet you refuse to come to me that you may have life. He and his wife, Maria, oversee New Earth Tribe, a spiritual community in Byron Bay, Australia. Phil is not a mere theorist; he is a seasoned healing revivalist who has trained many people in supernatural ministry. The "Tribe" is currently in the grip of an ecstatic outpouring of the Spirit with a steady flow of supernatural healings.595 printed pages Phil Mason is married to Maria and together they have four adult children; threesons and a daughter, plus three wonderful grandsons. Phil and Maria are the spiri-tual directors of Tribe Church; a spiritual community located in the Byron Bay re-gion of Australia. The Tribe was pioneered by Phil and Maria in 1998. Over the past25 years, Phil and Maria have led three ministry schools, The Deep End School,Naioth College and Tribe Ministry School. These school have equipped and acti-vated hundreds of disciples of Christ in the supernatural kingdom ministry of Je-sus. Phil completed his Bachelor of Theology degree at Flinders University in SouthAustralia in 1991. In addition to training and equipping the local church, Phil andMaria travel widely throughout Australia and the nations under the banner of 'TheHeart Revolution.' The Heart Revolution was birthed out of a deep passion to see the church find deeper wholeness through the healing and transformation of theheart. Their passion is to raise up a generation of mature sons and daughters who can be sent out as beloved sons, carrying the heart of the Father to the nations.As the directors of Tribe Church, Phil and Maria planted the community on thefoundation of the Kingdom Ministry of Jesus and have sought to remain faith-ful to a divine mandate not to allow their church to drift away from the call to build lives collectively upon the foundation of genuine intimacy with the Fa-ther and with one another in community. The Tribe endeavors to be a commu-nity where everyone is committed to becoming a people of the heart. The principles and insights outlined in this book have been hammered out in the life of community. None of it is theory; it has all been comprehensively road-tested. Were it not for the quarter century of experience in building a com-munity of people who welcome the supernatural ministry of Jesus to the heart,Phil would not have the authority to address the issues contained in this book.Phil is also the director of 'Christocentric Light,' a ministry that takes teams into New Age festivals throughout Australia, releasing demonstrations of the supernatu-ral ministry of Christ. They have seen thousands of miracles in the New Age market-place. Phil and Maria also pioneered the Byron Bay Healing Room in 2006. And what does that mean? Quantum refers to the realm of creation which is beyond the reach of our physical senses. We can't see it, hear it or touch it. But it is more real and much more powerful than our physical, material environment. The quantum realm is limitless and beautiful and it is everywhere present. It constitutes the universe around us and within us. And whether we're aware of it or not, it affects us all, hugely. The main purpose of this website is to help us to grow in awareness of what this glorious realm is, how it affects us and how we can align ourselves with the rhythms of the quantum realm in order to see healing and restoration in our lives, and in the lives of others. Here, we seek to learn how to come into alignment with God's purposes that have been set in motion by him, in the quantum realm, before the creation of the world. And, in Christ Jesus, we have been invited and given authority to work together with God to reveal the majesty and the purity and the wonders, all contained in the quantum realm. So please enter in, and enjoy exploring the themes and the gateways that you will find here. Everyone is welcome. 0 ratings0% found this document useful (0 votes)150 views430 pagesSaveSave Quantum Glory (Phil Mason RO For Later0%0% found this document useful, undefined
