Roblox says there is no official way to get Robux without spending real money. However, we have collected some working methods that can help you to get Robux for free. 1. Get 1700 Free Robux and help parents save money. Before going to the robux generator part, we recommend you to go a more legal way to get free robux. Help parents save money with a browser extension called Coupert, and you and your parents get \$20. That's \$40 total (or \$60 if both install the extension and spend \$20)! Coupert Connection is a 100% free and 100% legal extension for your browser (available in Chrome, Firefox and Edge). Just shop as usual and one of the biggest savings coupons will be applied to your family's purchases. Points can be redeemed for cash when shopping at one of over 7,000 participating stores. Even if there is no discount on the

product, you can get cash back. To qualify, simply install the Coupert extension in your browser and register. Then recommend your parents or friends to get \$20 for each new install - that's 1700 Robux each time! 2. Free Robux Generators: Is This a Scam? Some generators can seriously spoil your fun without you providing anything after completing all required tasks. Therefore, we show some that can save you time. In most cases, when a website claims to offer great prizes like 1000 Robux, it is a fake website and a complete waste of time.
