Azerbaijan e visa form

For many people the visa process for Azerbaijan is complicated. However you can make this process easier if you just know what to do. Today we're going to show you how to get it and what are the requirements either for Azerbaijan visa or e-Visa. Easy Guide to Acquire Azerbaijan VISA

There are two ways of acquiring visa: 1) e-visa; 2) typical visa by applying to embassy. 1) e-Visa E-visa is available to apply both by individuals or through the travel agencies. Official website: . After filling out online form and getting confirmation, you'll be able to get your e-visa directly to your email in 3-5 business days. According to the official website, e-visa application should be submitted at least 3 working days before planned travel date to the Republic of Azerbaijan. Total fee for e-visa application is 23 US Dollars (20 USD for application review and 3 USD for a service fee). Keep in mind that this is the cheapest and most convenient option and you don't need to talk with any travel agencies in order to get your visa. Official e-visa website If you still prefer to apply through a travel company, what you need to do is send the required documents to the travel agency. Mostly the application forms are available in the web pages of those travel agencies. Later on the travel agency will send these documents to the Ministry of Foreign Affairs and you'll be able to get the visa within 15 days (minimum in 10 days). In spite of that, it still can linger up to 6 weeks, so you should make sure that your department date is in a month at least. In general, e-Visa will cost you 40 EUR per person if visa applicant books the hotel through tourism company itself or 60 EUR if applicant provides signed and stamped confirmation letter from hotel directly . Moreover, if your trip is urgent, you can apply for a quick e-visa and get it in 2-3 days, but it will cost you around 210 EUR. As soon as they send you approved visa via email, you can print it and take with you until arriving to Azerbaijan. Your e-Visa will be accessible to the passport officer.
