I would love to guide you on how to download and install Careem Captain APK for Android in just five simple steps. But first lets have some basic knowledge of APK files. Android Package Kit is an Android application package file format used for distributing files and installing them on Android OS devices. Installing apps and games from APK file is a simple and straightforward process which you will remember forever when done once. It is a safe and working way to avoid restrictions made by developers for distributing apps in some geographical regions. Step 1: Download Careem Captain APK on your Android device Tap the blue button below and navigate to the download page. There you will choose the available download method. Step 2: Choose the download method Have in mind that some apps and games may not be available in Google Play for your country of residence. You can choose to save the APK file from Android Freeware mirrors instead of downloading the software from the Play Store. We are proud to serve your working mirrors 99.9% of the time. Step 3: Allow installation of third party apps. If you get an installation warning after starting the saved file, click Menu > Settings > Security > and check Unknown Sources to allow installations from this source! This has to be done only the first time you are installing an unknown APK file. Step 4: Find and install the downloaded APK file I suggest using a file manager app (MiXPlorer is my choice as robust and easy to use) to locate Careem Captain apk file. It is most commonly located in the Downloads folder. Open it now and proceed to installation (check out this How to Download and Install APK and XAPK files guide if you experience difficulties). Step 5: Launch the app and enjoy Start the installed Careem Captain app and enjoy it! Is It safe? I strongly recommend Careem Captain as good business software. With over 3m+ and counting downloads, it is a safe app to download, install, and share with friends. Note that the APK file can run on every popular android emulator. You can also send DMCA reports here. License Free Compatibility Require Android 5.0 and up Language English Categories business, careem, captain, tthrough, night, collecting File Size 71M Current Version 87.17.0 Suitable for Everyone Release Date Apr 22, 2021 Developer Careem Downloads 3,878,649 Download options APK / Google Play User Rating 3.40 out of 5 from 21 ratings In my humble opinion, it is good to have another business app like captain installed.
