Well, without any further ado, here are the 30 best online games for PC you can play in 2022. Best Online Games for PC in 2022 In this article, we have listed all the best online games for PC in 2022. You can check the entire list by using the table of contents below. You can click on the name of a game to move to its position in the article. 1. Valiant Riot Games' tactical first-person 5v5 shooter proved to be an instant hit when it got released in June 2020. Although the game takes a few cues from Counter-Strike: Global Offensive, the availability of heroes across different game modes in the game including Unranked, Spike Rush, and Deathmatch makes it worth a shot. Throughout the game, there are a lot of weapon skins and agents to unlock, which makes the game more interesting. 2. Escape from Tarkov Escape from Tarkov pretty much guarantees everything from adrenaline rushes to that sinking feeling that someone is following you while you try to, well, escape from the map. Though the game offers plenty of fun when played alone, especially if you're able to put in the time to get accustomed to the game's mechanics, it's a lot more fun when you play with your friends. Escape from Tarkov is an online RPG/simulator with some MMO features, and it has plenty of excitement to offer. Although the game isn't technically released yet, the developers are running a closed beta that you will get entry to if you pre-order the game, which sounds pretty much the same as buying a game and using it, so you must start searching for loot. This includes clothes, shelter, weapons, etc. You can form alliances on the island, but beware anyone can kill you and loot your resources. So, go around searching for loot and start killing people that aren't friendly with you. It's all about survival in this exciting game. Platforms: PC, Xbox One, PS4 (coming this December), Android, iOS Pricing model: Paid Download: \$29.99 4. Warzone If Battle Royale games are your jam, Call of Duty: Warzone is the battle royale game for PC that you should check out. As a CoD title, it offers a play-style similar to what you'd expect from Call of Duty games. There are plenty of weapons, and the mechanics are similar to other CoD games. 5.
