Like 85 lb Goldendoodle, 7yo, 4yo, 2yo, and a husband that farms. IT WAS FILTHY. And to be honest, I never dreamed anything would get it clean. I was just ready to sell it and get something else. *insert the little green machine* 2 hours of work gave me my couch back. Even my husband (who doesn't comment or brag on much when it comes to cleaning gadgets) said, "The couch looks 100% better." I was afraid to use "too much" solution out of fear it wouldn't dry. But I did what the tip said and went over the damp cushions a few times without pressing the spray button, and within 2-3 hours, the couch was fully dry. I'm excited to use this again as I feel it will get even more up! So I give this 5 stars and an A!Helpful?Great little machine! I recently purchased and returned a hoover upright carpet cleaner that cost me about 200\$ and made minimal difference in my carpet or large sectional sofa. This little green blew that out of the water. My sectional looks amazing now. I could not believe how much dirt and grime this small machine pulled up. I would definitely recommend it. The febreze solution it comes with is also great and smells fantastic. I was surprised how quickly my sofa dried as i went over it a few times. It dried in just a few hours!Helpful?This machine de-funked my stinky, 14 year old car. But yesterday, my child spilled an entire bowl of Cheerios on my sectional. A milk nightmare. Magically reversed!Written by a bissell.com customer.Helpful?LOVED it for the carpet, got a stain up that was probably a year old, honestly cannot even remember what it was. Also tried on linen fabric upholstery, less impressive there but A on carpet!!LikesFor accidentsCleanlinessInstructionsFor spillsDislikesHelpful?I was nervous because of the reviews, but I didn't have any issues! I tackled my sofas first that were in dire need of a clean. They look brand new after I cleaned with my little green. I loved that it came with a small bottle of cleaning solution. The only thing I do wish, was that the water bucket was bigger so I wouldn't have to keep refilling/ emptying it. I might just be using a lot of the solution/water mix. But it's not a big deal.Written by a bissell.com customer.Helpful?This little green machine is amazing!!! For \$80 it definitely Exceeded my expectations. Its powerful, light weight and easy to store. My 2 year old threw up On our white area rug (I kno who has white carpet with kids and a dog) anyways I just got my little green machine out, use as directed and my carpet looks amazing.
