" Password Extract: tienganhedu.com Frequently Asked Questions Contact (Report Broken Link) ---- Copyright Owner (DMCA) Gateway 2nd edition is a 7-level course that takes teenage students to pass exams while equipping them with strong English skills and knowledge that will help them to pass exams. To continue studying and the work world. Praised by its clear and logical structure, Gateway 2nd Edition develops grammatic, grammatic, and the four skills in a balanced way so that students can instantly use language in real communication. It offers a comprehensive and easy-to-implement approach to life skills training, enabling teenagers to thrive in the world of the 21st century. In addition, a thorough exam preparation program improves students' chances of getting better grades on graduate or international exams. Practising teacher and best-selling author David Spencer, who works with teens every day, uses his first-hand experience to offer practical solutions to motivate students and make teaching effective. Videos and life-skills assignments, covering topics such as personal and physical well-being, citizenship or social skills, help prepare teens for life outside the classroom. Flipped Classroom's groundbreaking videos, which students can watch before class, include author's grammar presentations, allowing teachers to find more time in class to focus on real-life communication and add variety to their teaching. Exam-type activities, along with tips for passing the exam, offer numerous opportunities for practice and ensure a thorough understanding of the requirements. The Gateway to Exams sections allow students to review the exam techniques they have learned and practice typical exam assignments, giving them confidence to take the exam successfully. The Student Book Package provides an access code to the Student Resource Center that includes class audio, workbook audio, life skills and flipped class videos, culture worksheets, and access to a downloadable Macmillan reader. The Premium Student Book Package contains the Student Book With a strong focus on the exams and the familiarization of tasks throughout the student's book. Code of access to the online workbook and the Student Resources Center that includes the audio of the class, audio of the workbook, life skills and Flipped class videos and a downloadable MacMillan Reader. The digital student's book pack provides provides Code of access to the student's digital book and the student's resource center, which includes class audio, workbook audio, life skills and class videos flipped, culture worksheets and access to a reader MacMillan downloadable. The Workbook reflects the student's book in his organization, providing a large amount of extra grammar exercises and vocabulary and opportunities to practice reading, listening, speech and writing. It also offers higher level material in the form of grammatical challenge and vocabulary extension exercises, particularly useful for mixed skills classes. The online workbook offers interactive versions of the Gateway 2nd Edition, Audio and Flipped class book activities. The online workbook marks the work of the students and cotees in the book of qualifications. Teachers can manage multiple classes, establish tasks and supervise progress. The second edition of Gateway leads adolescents to approve exams and prepare them to continue studying. This totally digital solution gives access to the student's digital book and the Student Resource Center with life skills and Flipped class videos, culture work sheets and a MacMillan Reader. The online workbook includes interactive activities and audio.
