Mehndi designs heena eid Fashion Mehndi ceremony Pakistani culture Indian marries mehndi. Hands decorated with bridecandid photography D 3,500 per day last wedding photo style. everything on candid - less poses, more natural. essentially, the person who is clicked does not realize that they are in camera so real emotions are caught. For example, the bride prepares, romantic look exchanged between couple. Traditional photography D 2,500 a day think of the old style photo with a lot of "smile, please!" and the traditional wedding photo with the arms around the groom in the exact angle dictated by the photographer. Cinematographic videograph © 6,000 per day looks like a movie, with crisp editing, bollywood mix and English music in the background and interviews of the couple and family. includes separate trailer & highlights of each function. traditional videography D 2,500 per day you understand what you see. It is usually a 1-2 hour video with highlights of each wedding function. romantic and unbeatable bollywood music plays against the background and the change is minimal. photo album D 8,000 (40 pages) albums are available in numerous formats these days & prices depends on the n. of pages, quality of paper, finish, etc. Pre-Wedding shoot D 4,000 per day relaxed couple photo / video shoot in a lovely location when great personal moments away from the chaos wedding day are caught. wedding mirchi are professional wedding photographers based in patna with an industry experience of over 9 years. they have reached the competence in capturing the perfect moments. they believe that bonds are beautiful and is moreto capture them in real life settings.
