We've solved for you the crossword clue called "With 6-Across and 5-Down, celebrated person (hint: browned bread)" from The New York Times Mini Crossword published May 2 2022, see 5-letters answer below! NYT Mini Crossword May 2 2022 Answers As a tribute to a celebrated person, you may be wondering what to give them that accurately reflects their personality, their achievements, and of course, their love for life. The options are endless, but have you considered offering them browned bread as a tribute? It may seem unconventional at first, but here are 5 reasons why it's an excellent choice: 1. Browned Bread is a Symbol of Hard Work and Perseverance Bread is a staple food, and making it requires a lot of hard work and determination. A celebrated person is likely to have gone through many ups and downs, faced numerous challenges, but remained committed to their goals. Offering them browned bread as a tribute is a symbol of their hard work and perseverance, which is worth celebrating. 2. Browned Bread is a Representation of Culture Different regions and cultures around the world make their bread in unique ways, using various ingredients and techniques. Offering browned bread as a tribute is an excellent way to celebrate a celebrated person's culture and heritage. It tells a story of where they come from and what makes them unique. 3. Browned Bread is a Sign of Love and Care Making bread is a time-consuming process. It requires one's undivided attention over several hours, from preparing the ingredients, kneading, letting the dough rise, and finally baking. Offering browned bread as a tribute shows the celebrated person that you value and care for them. It's a sign of love and appreciation that goes beyond mere words. 4. Browned Bread Encourages Sharing and Community Bread is a widely shared food as it's suitable for different occasions and can feed many people. Offering browned bread as a tribute encourages sharing and strengthens the sense of community. You can invite friends and family to come together and celebrate the celebrated person's achievements with a shared loaf of bread. 5. Browned Bread is a Simple but Meaningful Gesture Sometimes, the most meaningful gestures are the simplest ones. Offering browned bread as a tribute is a modest but profoundly meaningful gesture. It shows the celebrated person that you took the time and effort to create something unique and special for them. In conclusion, offering browned bread as a tribute to a celebrated person is an excellent choice for many reasons. It's a symbol of hard work, a representation of culture, a sign of love and care, encourages sharing and community, and is a simple but meaningful gesture. So, the next time you're looking for a creative tribute idea, consider making some browned bread. As we know, toast is browned bread. People began eating toast, or at least they began writing about it, in the 15th century. The first reference to it in print is in a recipe for a ghastly sounding concoction called Oyle Soppys (flavoured onions stewed in a gallon of stale beer and a pint of oil) that dates from 1430. Toast wasn't part of the recipe as such; the instructions were to serve the oyle soppys as "hote as tostes". Actually, to say that our medieval ancestors ate toast isn't quite correct. Like the batter on fried fish and the pastry on Cornish pasties, which were originally just casings that were thrown away, toast was discarded rather than eaten after it was used as a flavouring for drinks. Lodowick Lloyd's text The Pilgrimage of Princes, 1573, describes this:Alphonsus tooke a toaste out of his cuppe, and cast it to the Dogge.As well as being a flavouring, toast was used to warm drinks and most of the early citations refer to toast being warm or hot. One of our oldest proverbs, as listed in John Heywood's comprehensive A Dialogue containyng the nomber in effect of all the Prouerbes in the Englishe tongue, 1546, gives toast as a synonym for hotness:Love had appeerd in hym to her alwase Hotte as a toste.Even as late as the 17th century people didn't eat toast but put it into drinks. Shakespeare gave this line to Falstaff in The Merry Wives of Windsor, 1616:Go, fetch me a quart of Sacke, put a tost in 't.[In Shakespeare's day, as now, sack was fortified wine similar to sherry, so a quart seems a generous measure even for the notorious trencherman Sir John Falstaff.]It isn't difficult to imagine the scene in which some 18th century culinary innovator, having a piece of toast and a drink served together, decided to eat the toast rather than submerging it. Jonathan Swift appears to be the first to have recorded this novelty in print in the poem Panegyrrick on Dean, 1735:Sweeten your Tea, and watch your Toast.As to the phrase 'the toast of the town', this came about at the exclusively male drinking clubs of the early 18th century. The 'toast' was the woman who was regarded as the reigning belle of the season. The chaps were invited to flavour and heat their wine with hot spiced toasts and drink to 'the toast of the town'. The English Poet Laureate Colley Cibber wrote about 'toasting' in the comic play Careless Husband, 1705:Ay, Madam, it has been your Life's whole Pride of late to be the Common Toast of every Publick Table.Later in the 1700s it became the norm for any celebrated person, male or female, to be applauded by a toast.Coming more up to date the term toast has taken a 180 degree change of direction. To 'be toast' is now hardly a state to be desired. The usage 'you're toast' = 'you're as good as dead' derives from the 1984 film Ghostbusters. The scriptwriters wrote the line 'I'm gonna turn this guy into toast' but what Bill Murray, in his role as Dr. Peter Venkman, said was "This chick is toast". It is quite likely that the expression was US street slang that was taken up by the Ghostbusters' writers, but the film is what propelled it into the popular consciousness. Let's find possible answers to "Celebrated person (hint: browned bread)" crossword clue. First of all, we will look for a few extra hints for this entry: Celebrated person (hint: browned bread). Finally, we will solve this crossword puzzle clue and get the correct word. We have 1 possible solution for this clue in our database.
