The calendar also provides ample room for important notes. This is a printable template that gives you a snapshot of the year without taking up too much space. Open 2022 Google Docs Yearly Calendar - Landscape This Google Docs calendar template offers a basic calendar view, in landscape format, for each month of the year. Since this is a Google Docs template, you simply scroll down to view future months rather than switching between spreadsheets. When printing this template, you can choose a single month or the entire year. Open 2022 Calendar with Holidays - Google Sheets If you need an annual calendar with holidays, this template includes an annual view, along with separate calendars for each month. It offers a quick overview of the year and plenty of space for daily and monthly planning. In addition to holidays, there are sections for notes where you can highlight important events. Open Mid-Year Planner Template - Google Sheets If you want a condensed planner that allows you to view several months on a single spreadsheet, this mid-year calendar provides columns for each month and lists dates and days of the week vertically. This design lets you fit a lot of information into a small space for easy planning. You can edit the template to include any months, whether you're working with an academic year, a six-month period, or another time frame. Open 2021 Monthly Planner Template - Google Sheets Open 2022 Monthly Planner Template - Google Sheets This monthly planner template offers a separate sheet for each month to support detailed scheduling. You can label columns on each monthly spreadsheet with hours, class names, business projects, or other categories, depending on what categories you want to organize each day by. The template allows you to make detailed plans for each day within a compact layout. Open Daily Planner Template Google Sheets | Smartsheet If you need more room for daily planning and organization, this planner breaks each day down into 15-minute intervals and includes a section for notes. It's perfect for students, professionals, and anyone looking for a structured way to manage their time. Open 90-day plan - Google Sheets This 90-day plan is designed to help you stay motivated and focused over a three-month period. The template includes steps over a 90-day period. Use a 90-day plan when first starting a job or during an assessment period to evaluate productivity and set a clear plan of action with measurable goals. Modify this template to cover a different time frame or to include additional information. Open To-Do List Template - Google Docs This Google Docs calendar template includes basic to-do lists. The checklist shows due dates for each task, so you can schedule and prioritize items and mark them when completed. This is a simple, printable tool for creating any type of task list. Open 2021-2022 School Calendar Template - Google Sheets Open 2022-2023 School Calendar Template - Google Sheets This school calendar template provides monthly calendars from August through June to cover an academic year. The traditional calendar layout makes it easy to view an entire month quickly. Months are separated onto separate sheets for ample space. Students, teachers, and families can use this calendar template to keep track of classes, homework due dates, sporting events, and vacations. Organizations need a way to get work done, not just talk about it. Smartsheet is the best way to plan, track, automate, and report on work, enabling you to move from idle to impact - fast.
