Statistics on the Box Office of international films in Malaysia began in 2008. Box Office Mojo is the only site that provides box office numbers for international films released in Malaysia. However, this is notthe numbers for local films. [1] for larger local films, please see Malaysian cinema, box office - yahoo! Malaysia and online cinema Malaysia are two current websites showing the ranking of weekly movies including local movies, but not providing any office number box. [2] golden screen cinemas (gsc) also provide only the ranking of both local and international films weekly, based on the popularity of their cinema, the ranking can be accessed at the bottom right corner of the gsc site below is the list of the top 10 best local movies ever sold in Malaysia.
