Basically, it's always the same apps in every thread. Find out how to use the Wi-Fi, where the lounges are, what there is to eat in the area and how to get from place to place among other important information. Photo Courtesy: Scott Barbour/Getty Images Apps are typically set up as executable (.exe) files, although apps meant for Apple devices often come as either APP (.app) or DMG (.dmg) files. Like other app stores, it lets you filter apps by category, including featured apps, newest apps, popular apps, themed categories and more. CC0/langli/Pixabay Whether you're traveling for business, pleasure or something in between, getting around a new city can be difficult and frightening if you don't have the right information. Use your phone to scan your passport information, and you can skip the customs lines. Android is an operating system used for phones, tablets and more. It searches for information like flight details, hotel reservations and car rental receipts and provides you with a list of things you may like to do in the city you're traveling to. CC0/Free-Photos/Pixabay Google Trips Google Trips is a newer app, but it works seamlessly with apps like Google Maps, Gmail and Calendar to put together an itinerary for your next trip. To do this, you may need another program, such as WinZip or 7-Zip, to open it, although you may also be able to open it by left- or right-clicking if your device came with the ability to open ZIP files. As long as there's enough space left on your device, the app will likely be ready for use once it's done downloading. CC0/Bottlein/Pixabay Uber You're probably already familiar with Uber, but if you aren't, the app is a must for your next travel date. Apps are no different — they're just specific kinds of files you download from the internet. In today's digital world, you have all of the information right there at your fingertips, especially if you've downloaded one of these 10 innovative apps that will help you get around. Sometimes (especially when it's meant for computers), an app is compressed into a ZIP file (.zip or .zipx) to save space. Looking for the best seafood restaurant in Boston or the best museum in Havana? To download apps for an Android device, you can either visit the Android website or use the Google Play app. Find out what kind of public transportation is offered in the area, which points of interest are nearby and even how crowded those restaurants and shops you want to visit are at that exact moment. Sidekick If you find yourself with a little downtime in a particular city, Sidekick can guide you towards something fun and exciting to do. You'll need to log in or create an account complete the purchase. Photo Courtesy: Picture Alliance/Getty Images MORE FROM QUESTIONSANSWERED.NET I have a Google play gift card to spend. Suggest me apps that you can't live without and are NOT free !!! (Feel free to suggest me also your favorite paid game) Every day or week, we're seeing people asking about : What's the best paid app you have on your phone. For others, that's part of the thrill of a road trip. You'll find it on Sidekick. It's available in the United States, Australia and Canada, and you can use the app to search for gas stations near your location and compare prices to find the cheapest gas in the vicinity. I don't play games on my phone, so that rules out a lot of other recommendations. CC0/KatieBethToday/Pixabay Google Maps has been around for years, but it still reigns supreme when it comes to getting around town. (It's often pre-installed on phones and tablets, so you may already have it.) Be aware that you'll likely be prompted to sign in with your Google account or create one if you haven't already. Yelp is an international tool filled with reviews of local restaurants in cities across the globe. Either way, once the file is downloaded, you're good to go. Downloading Windows Apps Microsoft hosts apps on its website, which you can access via any device with a web browser. Click on the app result to learn more about it. CC0/Cytis/Pixabay FLIO No one really looks forward to a delayed flight, but if you find yourself enjoying a layover, FLIO can help you navigate the airport for everything you need to stay comfortable. Best of all, each app is available for both iOS and Android devices. iExit Do you love taking road trips (or have to take them for work)? Get directions to your next destination, and find out how long it will take to get there via car, foot, public transit or bike. As with Google Play, it's often pre-installed on phones. In many cases, however, downloading an app is as simple as clicking a button on an app's page. Short for "application," apps let you do everything from listening to music to syncing your phone to your car to playing games. While it's authorized for use by US Customs, keep in mind that it's only accepted at about 24 airports, and you must be an American or Canadian citizen, though those numbers are sure to grow. When you have no idea where you're going, how to get there or you simply don't want to navigate traffic in a new place, it's a trusty standby you can rely on practically anywhere. If you've ever been online, either on a phone or computer, you've likely already downloaded files on many occasions. The app breaks down each exit on most major interstates in the United States. CC0/Skitterphoto/Pixabay HotelTonight For some people, there's nothing worse than being stuck in an unfamiliar city and having to book a hotel at the last minute. Wouldn't it be simple if we had a pinned post with a giant list? From Amsterdam to Warsaw, with dozens in between, you can get a glimpse at some "best of" guides cities around the world. Photo Courtesy: Kim Kulish/Getty Images Select whichever free or paid app you're interested in to see a brief description of the app. If the app is free, it should begin to download; if not, you'll be prompted to pay for it. You can use the site to download apps for tablets, computers, phones, Xbox consoles, virtual reality sets and more, so it's important to check the system requirements on each app's page to ensure that the app is compatible with your device. If you choose a paid app, you'll be prompted to enter your credit card information or a gift card to complete your order. Using the Apple App Store The Apple App Store hosts apps designed for iPhones, iPads and other Apple devices. Choose the app you want and follow the onscreen directions to download it to your device. No matter which side of the issue you fall on, HotelTonight helps you find same-day hotel reservations in the city where you're staying, and those bookings usually come with some decent discounts. Photo Courtesy: SOPA Images/Getty Images Open the Google Play store on your device and then search for the specific name of the app or any broader category that might interest you. With so many apps to choose from, however, it can be a bit daunting if you don't know how to download them. CC0/Publicco/Pixabay Mobile Passport Anyone traveling internationally will want to download the Mobile Passport app. You can also manually select a destination city, and let the app put together a list of things that might interest you there. If so, you can't go another day without iExit. It's more useful in some countries than others, and within the United States, you'll find more reviews for restaurants in bigger cities than you will the country, but you'll get honest feedback on whether or not locals and other travelers recommend a place to eat. I don't buy music, movies, or TV shows either. Here's what I already have, so please don't recommend these: KWLP and KGWTMoon+ Reader Nova Launcher Prime Poweramp Pocketcasts Solid Explorer Super Hexagon Weather Timeline Swipe for Facebook (don't use Twitter) Slide for Reddit (don't need a different client) Thanks in advance. Page 2 Posted by u/deleted14 years ago 96 comments Photo Courtesy: Future Publishing/Getty Images If you have a new phone, tablet or computer, you're probably looking to download some new apps to make the most of your new technology. When you're driving along a major interstate and you're looking for a gas station, certain type of restaurant, welcome center, bathroom, hotel, hospital, drug store or any other place where you may need to make stop, you can simply pull up iExit and find it. Fortunately, downloading apps can be quick, simple and easy regardless of the kind of technology you're using. The ridesharing service is available in over 84 countries and hundreds of cities around the globe. Read on to learn about how and where to download apps. How Downloading Apps Works When you download a file on the net, whether from a store or elsewhere, a file hosted on an online server is copied onto your computer. It also comes in handy when you've had a bit too much to drink or those new shoes rubbed blisters on your feet and you can't get back to your hotel. CC0/StockSnap/Pixabay Yelp No matter where you go, you have to eat, and finding the best place in town isn't always easy. Odds are that if your phone isn't an iPhone, it's probably an Android device — brands include Samsung, Huawei, LG, Motorola, ZTE and many more. CC0/Katyveldhorst/Pixabay GasBuddy If you prefer driving over flying to your destination, GasBuddy can be your best friend.
