Pretty girl middle names

When naming daughters, many parents want to choose the cutest names possible. Some of the sweetest-sounding names for little girls are actually affectionate shortenings of more formal ones. Some parents choose to give a shortened name as their baby's official name on the birth certificate. Others prefer to bestow the full name on their baby and use the shortening day-to-day, giving their daughter the option of using their full name once they reach adulthood if their nickname no longer feels suitable. Betsy is an adorable shortening of the traditional girls' name Elizabeth. It is Hebrew in origin and means "pledged to God." Betsy was popular between the 40s and 60s and is once again becoming fashionable. The name also has literary connotations, as characters bearing the moniker (with the spelling Betsey) feature in David Copperfield and The Pickwick Papers by Charles Dickens. Parents who love the name Betsy may also like the equally cute and lovable name, Betty. ozgurcankaya / Getty Images While it may sound cute, Edie could be the perfect name for a fierce and adventurous little girl. Edie is short for the English name Edith and means "prosperous in war." The name is evocative of Hollywood glitz and glamour, and little girls with this moniker will be following in the footsteps of Andy Warhol's muse Edie Sedgwick. Edie is enjoying a renaissance of late, with superstars like Keira Knightly selecting it for their daughters. Nikola Stojadinovic / Getty Images Hattie is the ideal moniker for a girl that's born to lead the pack. It's short for Harriet and means "estate ruler." Although it was most popular between 1880 and 1900, this adorable name is once again gaining popularity with new parents. Fans of the silver screen are likely to love this name. Hattie McDaniel was the first African-American woman ever to be given an academy award thanks to her performance in "Gone With the Wind." Steve Debenport / Getty Images Cute and spirited-sounding, Maggie is traditionally used as a shortening of the English name Margaret, meaning "pearl." However, Maggie could also be used as a shortening for something a little more individual such as Magdalena. Music fans may recognize this lovely moniker from Rod Stewart's iconic song 'Maggie May.' Girls with this name share it with famous Hollywood actress Maggie Gyllenhaal. MmeEmil / Getty Images The adorable name Chrissy can be a shortening of Christina or Christiana, both Latin in origin. This moniker was first given to a saint and is also attributed to a Queen of Sweden who gave up her royal status to convert to the Roman Catholic faith. Chrissy is currently on-trend as a name for baby girls thanks to witty and glamorous model Chrissy Teigen, wife of John Legend. gradyreese / Getty Images Lottie could be the right name for a little princess. It's a shortening of ever-popular Charlotte, which has been a favorite of royals throughout Europe. Most recently, Prince William and Kate Middleton bestowed the name upon their daughter. Fans of Lottie may also like other similarly cute shortenings of Charlotte such as Lotta and Charlie. fotostorm / Getty Images Cora is a sweet name for a baby in its own right, or could be used as a pet name for the more glamorous monikers Coraline or Cordelia. This classic name first appeared as the name of the Greek god Zeus' daughter. In Greek, the name Cora translates as 'maiden.' gradyreese / Getty Images The adorable name Mia has star-studded connections. Girls named Mia share their name with Hollywood actress and activist Mia Farrow. Mia means 'mine' in Italian and is popular as a given name in its own right. However, parents wishing to use Mia as a diminutive are spoiled for choice. The moniker can be short for Maria, Mary, Miriam, Amelia or Emily. ideabug / Getty Images Ally is an adorable shortening of Alison, a more contemporary version of the traditional girl name Alice. The name has Scottish roots and means 'noble,' 'perfect' for a dignified little girl. For parents who aren't fans of Alison, Ally can also be used as a shortening of Alexandra, meaning 'defender of mankind.' Pollyana Ventura / Getty Images Adorable Effie is a diminutive form of the far more grown-up sounding Greek name Euphemia. It means 'pleasantly spoken,' so could be the right moniker for a little girl with important things to say! Although a little more unusual than some of the other options on this list, Effie has enjoyed a surge in popularity thanks to a character in 'The Hunger Games' of the same name. Juanmonino / Getty Images Few things perplex expectant parents more than picking just the right name for their child — and the middle name is no exception. It must have both gravitas and joie de vivre, and set the tone for a lifetime of repetition on official forms. But what good is a middle name, anyway?The modern tradition of inserting a middle name (or two) into a child's moniker most likely began in the Middle Ages when parents gave babies a personalized first name and a saint's name for a middle name, followed by a surname. By the mid-1800s, this European habit began to enter the United States, brought along by immigrants, and began to take on new significance. Middle names inspired by saints were sometimes replaced by nonreligious middle names, such as a maternal maiden name, and by the time the Civil War began in 1861, middle names were given purely at the parents' discretion — any name of their liking was fair game — and were often aspirational in nature, with two or three middle names given. After all, a fictional name like Peter Aurelius Oliver Smith carries a little more weight than plain ol' Pete Smith, doesn't it?The idea of a middle name took hold in the U.S., and by the advent of World War I in 1914, official enlistment forms became the first government documents to request applicants' middle names. Middle names were so much the norm that when computers became routinely used for U.S. citizen documents, they were programmed to recognize three names. Not two. Or four. Only three. If a middle name wasn't entered, the program would automatically insert NMI, which was a military abbreviation for 'no middle initial.' And for those without a middle name, let alone an initial? Invention is the key to success. For Joanne Kathleen Rowling, better known as J.K. Rowling, author of the Harry Potter series, the middle name "Kathleen" is a fictional affect — appearing as if by magic. Image: izusek/E+/Getty Images Most people have a middle name, which may stem from biblical figures, family members or a philosophical meaning to life. Maybe you think that your middle name doesn't mean much, but we're here to prove you wrong. Your middle name says a lot about you, which may include your best and worst attributes, your lifestyle habits and even your inner soul. Maybe you have a biblical middle name that matches your independence, willpower and leadership qualities. Examples of such names that exhibit some of these personality traits include Abraham, Achim, Amal and Ami. Some middle names also sound quite exotic, such as Nova, Akila, Hamisi and Lola. But did you know that not everyone has a middle name? Some people only have a first and last name, and that's OK too!But if you do have a middle name, what do you think it says about your inner personality? Do you find the meaning of your middle name to be true, or is it the opposite of who you are as a person? Maybe you even want to change your middle name or remove it completely. Tell us more about how you feel with this personality quiz so we can guess what your actual middle name is! Copyright © 2021 InfoSpace Holdings, LLC, a System1 Company Image: Shutterstock Many of us have questioned the decisions our parents made when they named us. Whether they named you on a drunken night, or your mom had you name planned out from the time she was five, whether you were named after a long-lost family member, or your name was created out of thin air, someone got it wrong! And if you aren't one of those people who hates their name, you may be one who thinks they were meant to be called something different. It doesn't matter if you are an old soul and think you should be called Beatrice or Victoria, or if you want a name that's a lot more fun and modern, like your personality. The point is that somewhere along the baby-naming process, someone made a mistake. While we can't legally rectify your name, we can tell you what you were truly meant to be called. We're going to ask you a few questions about yourself and your personality. We want you to tell us your likes and your dislikes, what you love doing and just the little things about you. In return, we're going to tell you what you should have been named. Ready? Let's get started. Copyright © 2021 InfoSpace Holdings, LLC, a System1 Company Credit: amylizabethquinn/Pixabay Trying to pick the perfect moniker for your little girl? Check out these 25 popular names, which are ranked by the amount of attention they received on Nameberry's website this year. We predict some of them will surge to the top of baby girl name lists soon! Coming from Spanish or Scottish origin, Isla means "island." The baby name is especially popular in England, Wales, and Scotland. It might have gained recognition because of Isla Fisher, an actress known for her red hair and marriage to Sacha Baron Cohen.Learn more about the name Isla. Advertisement Advertisement If you're drawn to cute feminine names, consider Posie. The moniker is a modern variation of the English name Posy (meaning "a bunch of flowers") or Spanish name Mariposa (meaning "butterfly.")Learn more about the name Posie. Advertisement If you name your daughter Aurora, she'll share a moniker with the protagonist princess of Disney's Sleeping Beauty. The Latin name means "dawn," and its original inspiration was the Roman goddess of sunrise. Aurora also has ties to the Northern Lights.Learn more about the name Aurora. Stylish in the late 19th century, the German name Ada means "noble" or "nobility." It's also reminiscent of Ava, which currently ranks as the third most popular name in America.Learn more about the name Ada. Advertisement Advertisement This baby name showcases the power of television; it's the unique moniker of a protagonist in HBO's Westworld. The old-fashioned name, which means "she who intoxicates," also appears in Irish mythology — usually with the traditional spelling of Meabh.Learn more about the name Maeve. Amara is a cross-cultural baby name, since has roots in Italy, Greece, and Africa. It translates to "grace or bitter" but also means "immortal" in Sanskrit and "peaceful" in Mongolian. Nameberry speculates that Amara may be used in place of Amanda and Mary in the future.Read more about the name Amara. Charlotte rose to the top of baby name lists in recent years, especially after Kate Middleton and Prince William chose the moniker for their royal daughter. The classic and elegant French name is the feminine version of Charles, and it means "free man." In popular culture, it appears in Sex and the City, Charlotte's Web, Lost, and Revenge.Read more about the name Charlotte. Advertisement The Victorian name Amelia means "work" and has German origins. After ranking first on British baby name charts in 2011, it's becoming stylish in America. You might recognize it from children's book character Amelia Bedelia and famed pilot Amelia Earheart. Nameberry says it's an alternative to Emily and Amanda.Read more about the name Amelia. A daughter called Ava might have an animated personality, because the Latin name literally means "life." Ava is also a variation of the Hebrew name Eve. The simple moniker is currently in high demand — possibly because Hugh Jackman and Reese Witherspoon chose it for their daughters.Read more about the name Ava. Advertisement Derived from the romantic flower, the Latin name Rose reached its peak in the early 20th century. It eventually regained popularity as a middle name, and now it's climbing baby name lists as a first name. Nameberry also calls out numerous variations of Rose, including Rosa, Roseanne, Rosemary, Rosalie, Rosamund, and Rosanna.Read more about the name Rose. Feminine and dainty in nature, the French name Genevieve has medieval origins and means "tribe woman." Consider using it instead of the more traditional Jennifer or Jenna. Nameberry says Genevieve recently reached its highest ranking since the 1930s.Read more about the name Genevieve. Advertisement Eleanor is unabashedly elegant, antique, and royal — in fact, the French queen Eleanor of Aquitaine brought it to England in the 12th century, according to Nameberry. The meaning of the medieval name remains unknown, but parents love its stately demeanor and cute nicknames (like Ellie and Nellie). Alternate formations include Ellen, Leonora, and Eleanora.Read more about the name Eleanor. With a meaning of "foreign riches," the French name Elodie draws inspiration from the Greek name Alodia. The unique and lyrical medieval moniker is especially popular in France, Wales, and England. An English name of Latin origin, Lucy made the overseas trip to America decades ago. Nameberry calls it "saucy and solid," thanks to its association with saints, heroines, and popular culture characters (specifically Lucille Ball from I Love Lucy and the bossy Lucy in Peanuts). The moniker is derived from its Roman version Lucia, and it means "light."Read more about the name Lucy. Advertisement Never heard of Freya? That's probably because the Norse name, which means "noble woman," is newly recognized in America — but it has long been popular in the United Kingdom. The Norse goddess of love, beauty, and fertility shares the unique moniker.Read more about the name Freya. Advertisement If your road to conception wasn't easy, consider the feminine Evelyn, which means "wished for child." The soft girl name is the English version of the French Aveline, and it made its top 10 list debut in 2017, according to Nameberry.Read more about the name Evelyn. You might recall this elegant name from the popular children's book series Eloise, which details a young girl's eventful life in the Plaza Hotel. Eloise is the French and English variation of Heloise, and it means "healthy" and "wide." Nameberry lists possible nicknames as Lola, Ellie, and Lolly.Read more about the name Eloise. Advertisement A German name meaning "noble," Alice is both old-fashioned and trendy. Since the most famous Alice ventured into wonderland, it's the perfect choice for literary parents.Read more about the baby name Alice.
