

Office Calculator Pro Apk is a calculator with a virtual tape. It supports commercial rounding, easy percentage calculation and does correct tax calculation. Install it on your device and you get the optimal calculator for office tasks. Office Calculator Pro Apk Virtual Tape You can switch between calculator view and and tape view to have a full screen view of the tape. Just tap on the tape icon to switch between views. The tape of the calculator can have up to 1000 lines Corrections on the Tape Tape You can change values on the virtual tape to make corrections. For corrections go to the context menu of the tape line with a long press Percentage Calculation The calculator has percent calculation to add or subtract percent values. The tape will display the percentage and the resulting value. Tax Calculation The calculator has tax buttons (TX+, TX-) to add or sub tract tax (sales tax, VAT) This makes it very easy to calculate tax amounts with the calculator. The tape will display the tax rate and the resulting value. Annotations on the Tape You can write a comment to a tape line. Fixed Point and Floating Point Calculation The fixed point arithmetic has 20 digits and 0 - 4 decimal places. The floating point arithmetic has 64 bits (IEEE double precision). By default, the calculator works with fixed point arithmetic and 2 decimal places as needed for most calculations with amounts. Rounding The calculator supports three rounding modes: up, down or 5/4. This is the Pro variant of Office Calculator (without ads), a Free variant with ads is also available. Startup time improved Bug fix: Multi-window corrected Office Calculator Pro — the calculator is aimed at dealing with finances. Sales, purchases, internal provision of employees with everything necessary and much more can be quickly and easily calculated using a convenient input and a system for storing entered positions. This allows you to view the history of all actions, if necessary, find errors, edit, and so on. The program also works with taxes (from sales, VAT, and so on), which will certainly please everyone who spends a huge amount of time calculating these values and wants to make their lives much easier. ApkVision.com Office Document - Word Office, XLS, PDF Reader 4.7.18 Apk Office Documents Viewer Pro 1.36.1 Apk Paid Mod Polaris Office Pro Apk Mod 9.0.18 Full Unlocked Vous n'êtes pas suffisamment diverti et amusé par Office Calculator Pro Apk? Alors peut-être que le moment est venu d'essayer de suivre d'autres applications sur le Web qui se spécialisent dans la création de contenu un peu monotone mais capable d'obtenir des regards de tous et divers. Nous parlons d'une application comme Bitcoin Wallet by Freewallet, Mybgt, Moneyfy Pro - Money Manager, My Expenses, Investors Chronicle magazine, . Recherchez-vous les applications brillantes Finance pour Android. Office Calculator Pro Apk APK est l'une des meilleures applications gratuites pour smartphone développées par taobits.net.
