These workbooks may be exactly what you are looking for. Using modified, traditional fonts, each practice workbook contains over 100 pages of practice and engages young learners through an animal theme. Beginning with limited letter and word tracing, the practice moves quickly into sentence practice with one line to trace the sentence and two lines of practice for sentences, with the final page being a place to write your own sentences. If your child needs additional review, there is one tracing page of all the letters at the back of the book. Limited instruction is included in these inexpensive workbooks and letter formation familiarity is assumed. Colorful worksheets offer approx. ½" dotted lines and are not-reproducible. sc. ~ Deanne Sort By Best Match Price (\$ - \$\$\$) Price (\$\$\$ - \$) Grade (ascending) Grade (descending) Popularity (least) Popularity (most) Title (ascending) Title (descending) Catalog Order help desk software
