Ask publishers to restore access to over 500,000 books, including "The Garland of Letters: Studies in the Mantra-Sastra" with an average rating of 4.37, "Hymn to Kali: Karpuradi Stotra" with an average rating of 4.08, and other works such as "Principles of Tantra, Part II", "Kaulavaliniraya Tantra", and "Is India Civilized?: Essays on Indian Culture". The collection also includes rare and out-of-print texts like "Shakti & Tantra: Spiritual Teachings of Tantra for Awakening" and "Introduction to Tantra Sastra [Paperback] John Woodroff". The writings of Sir John Woodroffe, under the pseudonym Arthur Avalon, spanned from 1915 to 1953. Despite being once printed in their entirety by Agamanusandhana Samiti, Calcutta, these works are extremely rare and difficult to find. However, a 4,000-page compilation with translations of the Sanskrit material is available on Amazon. Find it here: Please note that some files may be quite large, exceeding 120MB. For English readers, the most interesting aspects are likely the long introductions and commentaries on key tantric concepts, with the majority of the works being printed in Sanskrit. We have a selection of more readable books by Sir John Woodroffe available on our site; conduct a search to find them. Tantric Texts include: 1. Tantrabhidhana - Panchanana Bhattacharya (1937) 2. Shatchakranirupanam And Padukapanchakam (1913) 3. Prapachasaratantram 4. Kulachudamani Tantra - Girish Chandra Vedantatirtha (1915) 5. Kularnava Tantra - Taranatha Vaidyaratna (1917) 6. Kalivilasatantram by Parvati Charana Tarkatirtha (1917) 7. Shri Chakrasambhara Buddhist Tantra (1919) 8. Tantrarajatantra Part 1 - Lakshmana Shastri (1919) 9. Karpuradi Stotra - Vimalananda Swami (1953) 10. Kamakalavilasa of Punyanandanatha (1953) 11. Kaula and other Upanishads Commentary by Bhaskararaya (1922) 12. Tantrarajatantra Part 2 (1926) 13. Mahanirvana Tantra Commentary by Hariharananda (1929) 14. Kaulavalinirayah Of Jnanananda Paramahamsa (1928) 15. Brahmasamhita 5th Chapter Vishnu Sahasranama Sankarabhashya (1928) 16. Sarada Tilaka Tantra Part 1 (1933) 17. Sharadatilakatantram of Lakshmana Desikendra Part 2 (not available) 18. Prapanchasara Tantra of Shankaracharya vol 1 (1919) 19. Prapanchasara Tantra of Shankaracharya vol 2 (1935) 20. Chidgagana Chandrika - Swami Trivikrama Tirtha (1937) 21. Tara Bhakti Sudharnava - Panchanan Bhattacharya (1940) 22. Sataratna Sangraha with Sataratnollekhani - Panchanan Sastri (1944) Sir John George Woodroffe, also known as Arthur Avalon, was a British lawyer and Orientalist who is renowned for his scholarly work on Hindu Tantra and Shaktism. He served as a judge in the British Indian government and wrote many books on Hinduism, Buddhism, and Indian law. Sir John Woodroffe was a British Orientalist who made significant contributions to the study of Indian spirituality and law. His work on Tantra and Shaktism has been both widely acclaimed and criticized for its perceived orientalist tone. Despite this, he is considered one of the most important figures in understanding Indian culture and thought. Woodroffe's writings helped introduce a deeper understanding of Hindu philosophy to the Western world. Born on December 15, 1865, in Calcutta, India, Woodroffe was educated at University College, Oxford, and became a lawyer before becoming an Orientalist. He held various positions, including Advocate-General of Bengal and Chief Justice, before retiring to England. His interest in Hindu Tantra was sparked by a court case, where he experienced the effects of a mantra performed by a "tantrik sadhu." This event led him to pursue a lifelong study of tantric and yoga practices. Throughout his career, Woodroffe published numerous translations of original Sanskrit texts under his pseudonym Arthur Avalon. He was known for his prolific lectures on Indian philosophy, which helped stimulate interest in Hindu thought and yoga among Western audiences. By studying the ancient Sanskrit texts and exploring different aspects of Shaktism, T.M.P. Mahadevan revealed that the spiritual practice had a profound philosophy behind it. John Woodroffe's studies led him to become highly skilled in Sanskrit, which enabled him to translate even the most difficult texts with accuracy. He was initiated into a yoga lineage similar to that of Lahiri Mahasay and was believed by his guru to be the reincarnation of two famous figures from Indian history. Woodroffe took on the pen name Arthur Avalon, inspired by the magical realm of Avalon and the story-cycle of King Arthur and the Knights of the Round Table. Sir John Woodroffe: A Prominent Figure in Hindu Tantra and Indian Culture
