Touch the sky christian song

Touch The Sky is a song by Hillsong that appears on their album Empires which was released on May 26, 2015. The song is a great of the band members Joel Houston and Taya Smith. It also tells what happened after a true surrender takes place in the life of a believer. Experiences can help us to motivate and an inspiration to us to do something in our lives and pushes us to be the best version of ourselves. All we want is to get a respect from other people and for sure you also wanted to be known as a successful person. Being successful is not bad but sometimes we our not contented for what we have. Sometimes we feel bad and comparing ourselves to other people, which is wrong. If you are starting to feel this kind of feeling and it stressing you then you should have a big faith in our God. He knows everything in our lives and what the current situation you are encountering. Let Him enter you heart and soul. He will assure you that He can manage these and give you a peaceful heart. The song also tells that God loves us always and doesn't matter who we are. One of the member of the band tells that "I touch the sky when my knees hit the ground". This is the time when the life truly begins. The real surrender takes place. Lyrics: Verse 1 What fortunes lies beyond the stars Those dazzling heights too vast to climb I got so high to fall so far But I found heaven as love swept low Touch The Sky Words and Music by Joel Houston, Dylan Thomas & Michael Guy Chislett Verse 1 What fortune lies beyond the stars Those dazzling heights too vast to climb I got so high to fall so far But I found heaven as love swept low Chorus My heart beating My soul breathing I found my life When I laid it down Upward falling Spirit soaring I touch the sky When my knees hit the ground Verse 2 What treasure waits within Your scars The gift of freedom gold can't buy I bought the world and sold my heart You traded heaven to have me again Bridge Find me here at Your feet again Everything I am Reaching out I surrender Come sweep me up in Your love again And my soul will dance On the wings of forever Therefore humble yourselves under the mighty hand of God, that He may exalt you in due time, casting all your care upon Him, for He cares for you. – 1 Peter 5:6-7 NKJV Therefore submit to God; Resist the devil and he will flee from you. Draw near to God and He will draw near to you. Cleanse your hands, you sinners; and purify your hearts, you double-minded. Lament and mourn and weep! Let your laughter be turned to mourning and your joy to gloom. Humble yourselves in the sight of the Lord, and He will lift you up. They were phenomenal! 🙌 Her voice is wonderful, such an anointed group. The presence of God was so strong in that place, He was doing something BIG. Every heart in the room fully surrendered to Him and His presence. Three people accepted Christ as Savior too! Heaven is rejoicing right now for those three prodigal sons coming home. ! 🙏 God is sooo good, we were made for Him, by Him, to know Him, to worship Him, and bring all the glory and honor to His holy name. The name above all names, Prince of Peace : JESUS – Kris Angelina Asensio! m liking th whole Space/Universe theme they doing with this new album. I personally love astronomy and it helps me realize how big God is, and that there really are no limits because the universe is always expanding. It helps me see the bigger picture of who we are; were not just part of a country or city, but we're all make up this earth and created by God. What's even more mesmerizing is that all the stars you see in the night sky collapsed then exploded, then forming solar systems and planets that could sustain life so essentially we are star stuff. So when you feel down and out, just look up because you're purpose has a bigger meaning then you could ever imagine -John HercTaya smith she's popping out hits like crazy I love her voice!!!! She's awesome. I love how her voice is soft spoken, but towards the end she hits high notes exceedingly well, and then mellows down to a softer tone. Beautiful. – Ann Anni was so scared of a possibility for a better life and so I was gay for many years, holding myself down in a third rate life, craving men and trying to please everyone. Like a worm. But Jesus healed me of homosexuality and made me into a man that I was born to be: FREE! People have so little faith in themselves and God that they rather choose to bow down to same sex jealousy, abuse, manipulation, betrayal, gossip, endless lust and cheating and so many lies -all treats of homosexuality. I met and had all these "qualities" to a certain degree, myself. Horrible horrible way to live, that a man takes another man's penis in his mouth. The utter self hatred and self disgust are behind that. THANK YOU JESUS FOR HEALING!!!! With You touching the sky is just a beginning!! – Sinisa Balen! listen to this song when I am down or wasn't able to go to church🙏 it makes me realize how much he loves us no matter how much sin we have done,I break down everytime I hear this song cause it also makes me realize he will never give up on us🙏❤️ I am so blessed and I know that but sometimes I forget...he loves us so much ❤️ I've deal with a lot in life so much to where I should deal with everything I'm dealing with at 25 not 13 but he has given me soo many opportunities and I am so thankful❤️ I thank him everyday and if I forget to he sure as heck reminds me❤️ I love him so much and I'm so proud to be a child of God 🙏❤️ – Kai MarieHow about you? Just between me and you. It is quite obvious that you, my loyal viewers of ten's and ten's, have a slight obsession with this collection of artists. It shows up in my requests. It ranks high in my polls. Heck, most of you probably found this site from reading my So Will I review that nobody asked for. They are my most heavily reviewed artist, with 10 reviews and counting. Look, I really don't mind doing Hillsong reviews, but can we put them on ice for a while? Surely there are plenty of other non-Hillsong songs for me to beat up or blow into oblivion? We can do this, good people! Joking aside, my previous review of Wake left Hillsong with their only major scar. Perhaps Hillsong can lick their wounds and improve with Touch the Sky. Note to new users: This is a different kind of review site! Read About the Berean Test and Evaluation Criteria prior to reading this review. I strongly encourage you to consider the potential blessings and dangers of this artist's theology by visiting Resources. 1. What message does the song communicate? I understand what Hillsong attempted to communicate. It was supposed to be a song about a man or woman pursuing fortune, finding emptiness within material wealth, surrender to God, and His rescue. Yes, it explains that happiness and fulfillment cannot be found in riches, a good teaching point for all who listen; However, it does not explain why or what caused it. Also, who is the "You" in this song? Are they clearly identified or hinted at? The end of Verse 2 is the only hint that possibly links "You" to Jesus. But surely a boyfriend can metaphorically trade heaven to have his girlfriend again? Which is the better interpretation? It is not clear to me. Finally, Hillsong's focus is more about how they feel rather than expressing objective truth. Score: 3/10 2. How much of the lyrics line up with Scripture? Given my commentary in section 1, we will assume God as "You" in the analysis, at the cost of a few points. While most of it agrees with the Bible, I have a slight concern with the end of Verse 1 and a major issue regarding the Bridge's end. Lyrics posted with permission.* [Verse 1] What fortunes lies beyond the stars Those dazzling heights too vast to climb I got so high to fall so far As summarized in Proverbs 11:28, the pursuit of material wealth for its own sake will lead to one's own downfall (also see Proverbs 15:27, Proverbs 28:22, and Ecclesiastes 5:10). But I found heaven as love swept low I think this is supposed to be Jesus' rescue, combining 1 John 4:8 with Philippians 2:5-8; However, it seems a clunky expression of it. [Chorus] My heart beating, my soul breathing I found my life when I laid it down Upward falling, spirit soaring I touch the sky when my knees hit the ground Humility is a requirement for repentance and finding Jesus (Micah 6:8, 2 Corinthians 12:9-10, and James 4:6-10). What God is looking for is a broken and contrite heart (Psalm 51:17). Also, see Matthew 10:39, Matthew 16:25, and Luke 9:24. [Verse 2] What treasure waits within Your scars A reference to the cross. This gift of freedom gold can't buy I bought the world and sold my heart See commentary in Verse 1, lines 1-3. You traded heaven to have me again Alludes to Christ's sacrifice for sinners, as succinctly captured in Romans 5:6-8. Also, see Isaiah 53:1-12, Matthew 20:28, Mark 10:45, John 1:29, John 3:16, Acts 4:12, Acts 20:28, Romans 6:23, 1 Corinthians 1:30, 1 Corinthians 6:20, 2 Corinthians 5:21, Galatians 1:3-4, Galatians 3:13, Ephesians 1:7, Colossians 2:14, 1 Timothy 2:6, Titus 2:14, Hebrews 9:12, Hebrews 9:15, Hebrews 9:22, Hebrews 9:26, 1 Peter 1:17-21, 1 Peter 2:24, 1 Peter 1:18-19, 1 John 1:7, 1 John 2:1-2, and Revelation 5:9. [Bridge] Find me here at Your feet again See commentary in Verse 1, line 4. Everything I am, reaching out, I surrender See commentary in Chorus. Come sweep me up in Your love again And my soul will dance On the wings of forever Unfortunately, this is not why God came to rescue us. It was not so that we can "dance on the wings of forever". He wants us to have a relationship with Him (see Acts 17:27, Romans 8:15, John 15:1-11, and Romans 11:16-24). [Outro] My heart beating, my soul breathing I found my life when I laid it down When I laid it down Repeats Chorus, lines 1 and 2. Score: 5/10 3. How would an outsider interpret the song? An unbeliever's largest takeaway will be a brief summary of the pitfalls of loving money. It is not nearly as detailed as, say, David Ramsey's commentary; However, the message should be somewhat clear. The issues laid out in section 1 are far more pronounced with unbelievers. If we take our Christian glasses off for a second and read all the lyrics, without any knowledge of God or Jesus, would we think this was talking about God? Certainly not me! Score: 2/10 4. What does this song glorify? I think Hillsong was trying to glorify God; however, with all the issues laid out, it is hard to justify it. It rightfully condemns attaining wealth as an end and that does bring God glory, but that is all I can see. Score: 4/10 Closing Comments Hillsong bombed once again with Touch the Sky. Its only redeeming quality is denouncement of earthly treasures. However, with the "Jesus as my boyfriend" approach, its lack of clarity on the identity of "You". To their credit, Hillsong has produced several high-quality songs, with great messages, biblical themes, evangelistic effort, and brings glory to God. Not so with this one. It's going to be a long 2019 for Hillsong!
