Tavistock infant school fleet ofsted report

How long until the next inspection? Good schools are inspected around once every four years. We can also inspect at any time if we have concerns. We normally give notice the afternoon of the working day before an inspection. We can also inspect schools without notice. Ofsted Report 2019 There is more information about standards, attendance and disadvantaged children within the dashboard information produced by Ofsted using the following link at: www.dashboard.ofsted.gov.uk. Further reading If there are more applicants to a school than it has places for, who gets in is determined by which applicants best fulfil the admissions criteria. Admissions criteria are often complicated, and may change from year to year. The best source of information is usually the relevant local authority website, but once you have set your sights on a school it is a good idea to ask them how they see things panning out for the year that you are interested in. Many schools admit children based on distance from the school or a fixed catchment area. For such schools, the cut-off distance will vary from year to year, especially if the school give priority to siblings, and the pattern will be of a central core with outliers (who will mostly be siblings). Schools that admit on the basis of academic or religious selection will have a much more scattered pattern. *The coloured areas outlined in black are Census Output Areas. These are made up of a group of neighbouring postcodes, which accounts for their odd shapes. These provide an indication, but not a precise map, of the school's catchment: always refer to local authority and school websites for precise information. The 'hotter' the colour the more children have been admitted. Children get into the school from here: regularly most years quite often infrequently sometimes, but not in this year It typically takes 1 to 2 months, and can take longer in some circumstances, for Ofsted data to be made available and updated here following an inspection. For the very latest Ofsted data, please visit the Ofsted website School information incorrect? Information such as headteacher's name, school website, address, location on the map, gender, age-range and school type also typically take 1 to 2 months to be updated here after first being updated, by the school, in Get information about schools. If information is incorrect in Get information about schools, please report it to the school. Report a problem This form is for reporting problems with the Find and Compare Schools In England section of the GOV.UK website. Don't include any personal or financial information, for example your National Insurance number or credit card details. To make a complaint about a school, or a general complaint or enquiry, contact the Department for Education . Illegal behaviour should be reported to the police. Important Information: September 2021 Intake: Welcome to the children and parents joining us in Year R in September 2021. Please click here. Welcome to Tavistock Infant School Achieving happily together Blogs HeadteacherYear RYear 1Year 2 Term Dates 2020/21 Autumn TermThursday 3rd September – Friday 18th DecemberSpring TermMonday 4th January – Thursday 1st AprilSummer TermMonday 19th April – Friday 23rd July We use cookies on our website to give you the most relevant experience by remembering your preferences and repeat visits. By clicking "Accept", you consent to the use of ALL the cookies.Manage consent The age range that the establishment is legally allowed to make provision for. The number of pupil places the establishment can accommodate. This shows whether a pupil's family have claimed eligibility for free school meals as reported in the annual spring school census. Parents are able to claim free school meals if they receive a qualifying benefit. This does not show pupils who actually received free school meals but those who are eligible to receive them. Tavistock Infant School is located in Calthorpe Park, Fleet and falls under the local authority of Hampshire. This mixed-sex primary school has 263 pupils, with a capacity of 270, aged from four up to seven, and the type of establishment is community school. The school has 12 teachers with each teacher on average earning the full-time equivalent of £34,633. The most recend Ofsted inspection was 11th February 2015 resulting in a good rating.
